# The President of the College

Dr. Bruce E. Whitaker

A Message from the President. . .

## “The People of Chowan”

A college is made up of many different people. One of the great strengths of Chowan College reposes in the people who serve the college. The varied “people of Chowan” work closely together to help the students realize their potential and reach their goals. Many of our faculty and staff and maintenance and custodial personnel have worked at Chowan for 10, 15, 20 or more years. They love their work and helping students. They are a special, dedicated group.

During your time at Chowan, you have benefitted from the care and concern of the “people of Chowan,” many of whom you have not met or in some cases even seen. These include faculty and staff, trustees and advisors, alumni, friends, and supporters. They are making a people (student) centered college.

As you have grown and matured mentally, physically, and spiritually, you have brought joy and happiness to those who have served you. As you have shared your dreams with them, you have become a part of their lives, and they of yours.

As students, and later as alumni, you, too, have an important role to play. When you leave, remember those students who will replace you. Say a good word about your alma mater. Support it with your gifts. Keep in touch through your letters and visits at Homecoming and Spring Festival and other times. Together, the future is bright as we, the “people of Chowan,” continue to help make Chowan a great college and creative place for young men and women to study, worship, and play.

Bruce E. Whitaker  
President

*Colorful balloons, football games, assemblies in Helms Center, chatting with friends on campus between classes, are things which made our year at Chowan a delightful one and a time we will remember as we move onward.*

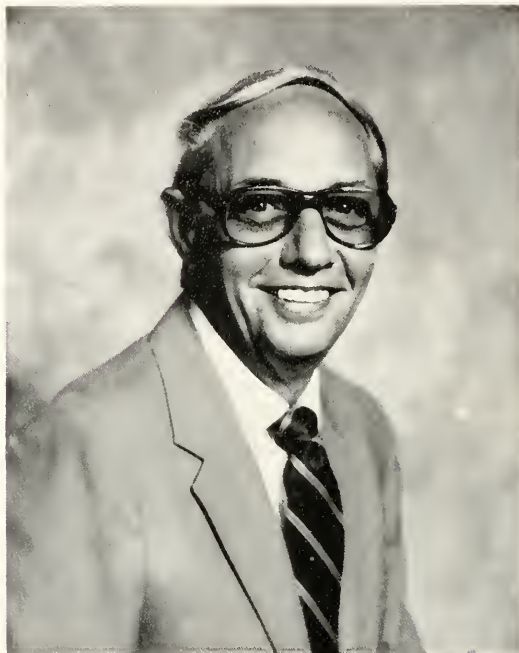

*College life is studying, researching, learning . . . but it is also more than these things. It is time with friends, sharing, caring . . . and being a part of the Chowan family.*

# 1984 Dedication

Mr. Herman Gatewood

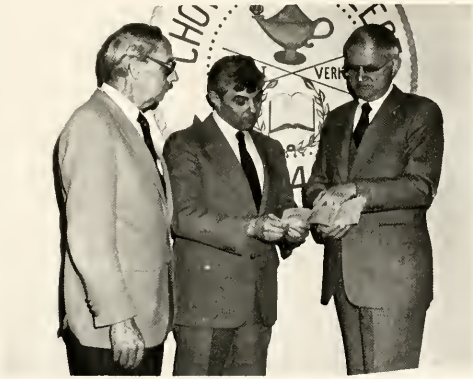

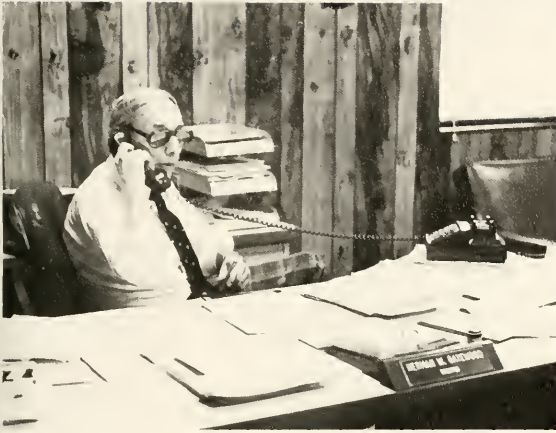

Each year one of the most difficult decisions faced by the students of Chowan College is that of selecting the one to whom the Chowanoka should be dedicated. Every student is asked to cast a vote after considering the possibilities before him.

This year, the person chosen came to Chowan in 1963. He is the Chairman of the Graphic Communications Department and is well liked and respected by all. He is never too busy to lend a helping hand or give a word of advice. He gives so much of himself without asking for anything in return.

For all the thoughtfulness and support he has unselfishly shown, we in return, would like to show him our gratitude and appreciation by dedicating the 1984 CHOWANOKA to...

MR. HERMAN GATEWOOD

# In Memoriam

Keiji Iwamoto  
of  
Sakai, Osaka, Japan

Commercial Art Major

Born: February 19, 1963

Died: February 16, 1984

Keiji Iwamoto, a freshman commercial art major, died of injuries sustained in an automobile accident on February 16, 1984. During the 1983-84 Fall Semester, Keiji was enrolled in English 101FL, with Mrs. Betty Batchelor as Professor. As a part of his classwork, Keiji composed the following essay and it is appropriate that it be reproduced here with his memoriam.

# Time

We always care about time in our lives, because we always live with time. It is very important for us who live in present-day life. We have to get up at our regular time, except some people. Then we act. We wash our faces, brush our teeth, and eat breakfast. Most of us go to school, company, or somewhere on a regular basis. At noon we eat lunch on time; then we go back home on time and eat dinner. Finally, we go to sleep to provide for the next day.

About track and swimming meets, we care about one one-hundredth of a minute. Who can run fast in this world? Who can swim fast in this world? People challenge a limit of a human being. People who cannot do it watch it; they are excited by a battle in which they contend for victory of one one-hundredth.

I think time is really important in this world.

However, I sometimes want to forget about it. Something like this, time that I want to get up, eat, sleep.

We were born with time . . . we live with time . . . we will die with time.

--Keiji Iwamoto

# STUDENT LIFE

# Registration Day

Fall and Spring Registration are very hectic for everyone involved. It is a time where students begin to get into the swing of how things work at Chowan. Students begin lining up at the front door of Marks Hall before 8:00 a.m. in the morning. When Dean Lowe checks their id's, they begin their mad dash through the classrooms to try to get that favorite class before it fills up. Late in the afternoon, many unlucky students must settle for those classes or times that they did not prefer. In a few days they settle in to their schedules and the frustration of Registration Day is soon forgotten.

Wanda Powell, a sophomore Commercial Art major, looks rather tired as she completes that long, long, registration form, knowing that when she finishes the front, the back must be completed also.

After "making the rounds" in Registration, forms are checked to be sure that all information has been recorded.

Good weather is always appreciated when it is necessary to form lines prior to entering Marks Hall for Class Registration.

## Parents Day

Parents Day is an event which occurs twice a year. It is a time for the students and their parents to get together and have a good time. Many activities are planned and all the dormitories participate. Such activities include football games, art shows, band recitals and tours of the college.

The President of the College is always happy to greet parents both informally and at the traditional reception.

The "little folks" enjoy Parents Day too, and spend some pleasant hours in center campus.

Bobby Cross, Director of Development, chats with a "Dad", as the son and student listens.

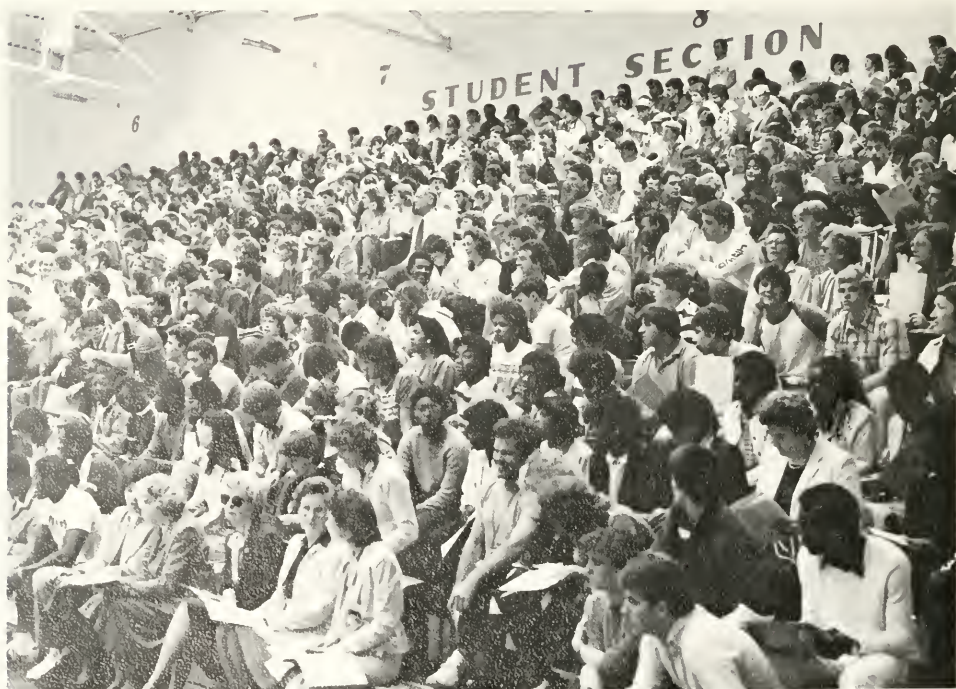

## Convocation and Assemblies

Assemblies and convocations are a part of Chowan College life, with freshman and transfer students attending sessions on Monday, and sophomores scheduled for the Wednesday meetings. Convocations which are held at the beginning of each semester, are generally held in the new Jesse Helms Center, with all students and faculty attending. Assemblies are held in Turner Auditorium, of McDowell Columns.

Taking part in the services are speakers from various walks of life, as well as members of the administration and staff of the college. The Chaplain, Dr. R. Hargus Taylor, administers the assembly program, and delivers many of the inspirational type addresses.

Students also take part in assembly presentations.

The entire student body, along with the faculty and staff, attend special convocation services in Helms Center.

Dr. Bruce E. Whitaker delivers an address at convocation services.

Dr. Alton McEachern, pastor of the First Baptist Church, Greensboro, was one of the noted speakers to deliver addresses.

Following assembly and convocation, students head back to classes.

# Bloodmobile Makes Visit to Campus

Many students participated in donating blood for the annual Blood Drive.

## Band Day is Annual Event

One of the highlights of the annual Homecoming Day activities is Band Day in the college stadium. The event, sponsored by the Department of Fine Arts and coordinated by Professor Bob Brown, brings to the campus marching bands from high schools in northeastern North Carolina. Awards are presented in various categories and according to school size, with the group selected as "Band of the Day" performing at halftime of the Homecoming Day football game.

Congratulations to Perquimans High School for their hard work in the Band Day competition. The award is presented by President Whitaker and Mr. Brown.

Practice and hard work is what it takes for a successful band.

It looks easy, but hours and hours of practice have gone into flag routines.

# Homecoming Day is Fall Highlight

Chowan offered its students, faculty, staff, alumni, and the public a Fall Festival of Marching Bands, a homecoming parade, football game, and halftime pageantry featuring the crowning of the Queen and Princess in October. The weather was perfect, the attendance was excellent the highlight of the day was the Braves' victory over archrival Ferrum Panthers by a score of 27-3.

The Homecoming week schedule, planned by the Student Government Association, began with a car parade, followed by a mock funeral at a bonfire with Professor Earl Parker conducting the "services". On the afternoon before Homecoming Day, "Anything Goes" was held in Squirrel Park, followed by a Pizza Party in Lakeside Student Center.

Miss Tammy Taylor, of Bishopville, Md., was crowned 1983 Homecoming Queen, with Miss Laura Churchill, of Raleigh, as Freshman Princess.

Sidney Hay is caged and ready for the Homecoming Parade.

This dedicated Brave is ready to scalp the Panthers.

There's more than one way to skin a Panther.

The natives are restless, waiting for the bonfire to begin.

There is no limit to a Brave's spirit during Homecoming.

MARIA ALLSBROOK  
Mixon Hall

At halftime, President Whitaker and Anthony Hill wait to crown the Homecoming Queen and Princess.

## Students Choose Court Members

One of the first activities of the fall semester is the selection of contestants for Homecoming Court. Each residence hall and the Day Student organization elect one freshman and one sophomore as candidates for the court. The contestants are then introduced to the entire student body during an assembly program, and individual photographs of the girls are posted in front of Thomas Cafeteria.

Members of the Homecoming Court are selected from the candidates by vote of the student body, with the announcement of the Queen and Freshman Princess being made during halftime ceremonies of the football game.

The 1984 Homecoming Queen is Miss Tammy Taylor, who represented Mixon residence hall. Miss Laura Churchill, representing West hall, served as Freshman Princess.

LORRIE GARDNER  
Parker Hall

# The Rainmaker

Once again, the Chowan Players provided the college and the community excellent entertainment when they staged *The Rainmaker* during October of the fall semester. The play, written by Richard Nash, takes place in a dry, midwestern town, where rain hasn't fallen in months, in the home of a family of two sons and a soon-to-be-old-maid daughter. Enter the Rainmaker, a con man who convinces the family that—with enough money—he can make it rain. The play ends happily, and we learn the value of following our dreams and believing in ourselves.

Directed by Sandra Boyce, *The Rainmaker* showcased the talents of students, Laura Crum, Thomas Gale, Scott Canfield, Gregg Lowe, Thomas Cole, and townspeople Michael Hewitt from Woodland. Chaplain R. Hargus Taylor was a smashing success with audiences in his hilarious portrayal of the gullible country farmer.

Gregg Lowe and Laura Crum try to strike up a relationship.

Hargus Taylor, the father, argues with his daughter, Laura Crum.

Thomas Gale makes his entrance as the older brother.

Director Sandra Boyce delivers words of encouragement to the backstage cast.

Thomas Cole, *The Rainmaker*, attempts to convince Laura of his plan.

Scott Canfield believes in the powers of the Rainmaker.

# Auditorium in McDowell Columns is Dedicated

The auditorium in historic McDowell Columns was named in honor of the late Dr. J. Clyde Turner during the annual Founder's Day ceremonies, held October 10. The services were held immediately following a convocation in Jesse Helms Center, which featured Dr. Alton H. McEachern, pastor of First Baptist Church, Greensboro, as speaker.

In his remarks, Dr. McEachern said "Dr. Turner contributed to Chowan and remembered the college in his will. These funds were used as seed money for the renovation of the 'J. Clyde Turner Auditorium'."

The Turner family was represented by his niece, Mrs. Deryl Hart, and her daughter, Mrs. Charles Warner, who unveiled the plaque at the entrance of the auditorium.

Mrs. Ruby Udvarnoki, right, unveiled the plaque inside Turner Auditorium, which lists the names of those persons contributing to the renovation project. Looking on is Bobby Cross, Director of Development.

Family members and other guests of the college are pictured in the corridor of McDowell Columns to witness the unveiling of the plaque by Mrs. Charles Warner, to name the auditorium in honor of Dr. J. Clyde Turner.

## Residence Hall Named In Honor of Simons

As a part of the annual Founder's Day ceremonies in October, the men's residence hall formerly known as "East Hall" was re-dedicated and named in honor of Walter Leroy "Roy" Simons, Jr., of Ahoskie.

Simons was a trustee and member of the Board of Advisors, and was described by Dr. Alton McEachern, convocation speaker, as a man who "supported Chowan generously during his lifetime and remembered the school in his will. Today we honor his memory and his family with the dedication of Simons Hall."

Miss Agnes Simons, a sister of Roy Simons, unveiled the plaque dedicating the residence hall in memory of Roy Simons' mother and in honor of his cousin, Melton E. Valentine of Raleigh.

Members of the Simons family are pictured in front of Simons Hall following the plaque unveiling.

Dr. Bruce E. Whitaker, President, with Miss Agnes Simons, sister of the late Roy Simons.

Simons Hall, formerly known as East Hall, is situated on Pine Walk among many towering pine trees.

# Local, area churches support religious life of students, faculty, and staff

Though Chowan is a Baptist college, students, faculty and staff members come from a wide variety of religious backgrounds. In the Murfreesboro area, there are places of worship to serve almost every person's needs. In the Murfreesboro area, students may attend four Baptist churches, a Methodist, Episcopal or Christian Church. In addition to these religious opportunities, college vans carry students to services at the Catholic church in nearby Ahoskie. Many foreign students, who practice Moslem, Buddist, Hindu, or other beliefs, often gather together on campus for worship services of their own.

Murfreesboro Baptist Church

Melissa Adams and Deneen Davis check out a stitching machine.

Susan Henderson learns about a computerized color scanner from Mr. Dwight Collier.

The new center has some of the most modern equipment for instructional purposes. This student operates one of the MVP terminals.

Herman Gatewood, right, Director of the School of Graphic Communications, talks with Mrs. Pakan and Mr. Bill Pakan, Director of Graphic Arts at Rochester Institute of Technology.

## Graphic Communication opens new facility

The Department of Graphic Communications moved into a new and enlarged facility during the summer of 1983, and began serving students in the fall semester. The new facility, encompassing 19,000 square feet, was constructed with funds donated by the newspaper industry of the state, and other interested individuals.

The new building contains individual offices for the faculty and staff, enlarged laboratories for typesetting, preparatory offset and presswork, a student locker room, classroom, photographic studio, and a publications darkroom. On the lower level, photographic facilities include individual color darkrooms, finishing room, individual black-and-white processing darkrooms, and a large black-and-white printing room. One of the focal points of the new center is the exhibit area located on the main level, and gracing the entrance area is an antique Linotype machine which was used by the department for teaching in the 1950s and 1960s.

One of the printing units for the web offset is pushed into position.

The new graphic communications center, housing the Department of Graphic Communications, is located by a scenic lake, and facing the science-engineering facility.

# Student Store Serves Students

The Chowan College Student Store is one of the most popular places on campus. Selling not only textbooks and school supplies, but monogrammed items and clothing as well. One of the most valuable services provided by the student store is check cashing, and students consider the store as being the "bank".

The Student Store is open from 9:00-12:00 and 1:00-4:00 Monday through Friday, to make available for students the many necessities that are needed in day-to-day college life.

The store is managed by Mrs. Aldeen Gatewood, and she employs a number of student workers who assist in the daily operation.

Mrs. Aldeen Gatewood, Manager, enjoys a quiet moment during a break in sales.

The Student Store carries gifts as well as textbooks and supplies for Chowan shoppers.

It is always a "hurting feeling" to spend hard-earned money for textbooks, but they are, indeed, a necessity!

## Snack Bar Popular Place

The Chowan Snack Bar is located directly under the Thomas Cafeteria. The snack bar provides the students with a large selection of inexpensive fast food. The snack bar is also a place where the students can meet friends, talk, or play cards. The snack bar has an 18 inch color T.V. and a video machine for the students pleasures. It is open from 9:00-11:00 Monday thru Friday and 4:00-11:00 Saturday and Sunday.

Students have been struck by "Pac-Man Fever" in the Snack Bar.

Mrs. Linda Thompson  
Snackbar Manager

Brett Andrews seems to want a bite of Barry's sandwich.

In the right photo, students enjoy a healthy, delicious and nutritious meal in Thomas Cafeteria.

Bill West can hardly wait to "dig in" to the buffet selection.

The cafeteria is a popular place to enjoy comical conversations after meals.

Frank Toney gives his expert advice to Carina O'Neill.

## Cafeteria, Library favorite places

Thomas Cafeteria is located between McDowell Columns building and Whitaker Library. The Cafeteria serves three meals a day: Breakfast from 7-8:15, Lunch from 11:30-1:00, and Dinner from 4:30-6:30. It also has a salad and soup bar which are set up regularly. To enter the cafeteria you must present a student I.D. card. You do not pay for each meal, they are included in the room and board fee.

The cafeteria provides the students with steak twice a year, this is a specialty which is not offered in many other schools. The cafeteria is managed by Ron Thompson and employs many of the student workers on campus

Whitaker Library is not only important to Chowan students but the Murfreesboro people as well. The library has 75,575 books in it and this amount grows each semester. The head librarian is Mrs. Geraldine R. Harris, and she has three other librarians working under her. The library is open Mon.-Thurs. 8-5, 6-10, Friday from 8-5:00, Sat. 8:30-12 noon, and Sunday from 2-5:00, 6-10 pm. Whitaker Library offers the students a free library card each semester. This card is distributed during registration.

Jean Marie House finds Whitaker Library as an ideal place to study for classes and to complete assigned research work.

The Whitaker Library provides a large number of periodicals and newspapers for the enjoyment of students. In addition to study and research, the library is a favorite place to spend relaxing hours of reading.

Mr. Thompson  
Cafeteria Manager

# Lakeside Center, Helms Center Pasttime Places

Students enjoy the outstanding facilities offered on campus for pastime relaxation, entertainment, exercise, and competition.

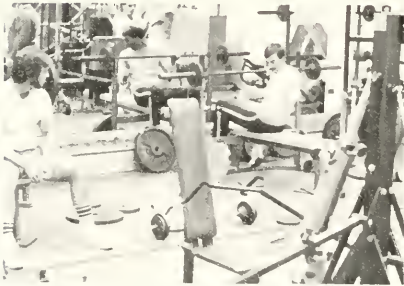

Whether the weather is rainy or sunny, the Helms Center offers a variety of recreation. The center has three basketball courts, a weight room, swimming pool, steam room, suana, and a mini-gym.

If you cannot find what you're looking for at the Helms Center, then Lakeside Student Center is the place to go. It constantly plays today's Top 40 Rock and Punk tunes, and has the highlight of everyone's day! The Student Center offers pool, ping pong, roller skating, a game room, and areas for just relaxing. For the less active people, the Student Center has a big screen television and a reading area for people just to get together.

Also, for the domestic chores of students, the center offers a completely equipped laundry room with automatic washers and dryers.

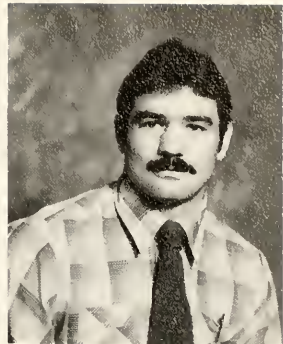

The pressure is on! Practice and concentration is what it takes to win a challenging game of racquetball.

The weight room in Helms Center provides students an opportunity to work out after classes.

After a hard day of classes, students can unwind at Lakeside Student Center.

**TOM MARTUCCI**  
Director of  
Student Center

With just your ID, game equipment may be rented at Lakeside Student Center.

Doing laundry in the Student Center is supposed to be women's work???

## Special Services provides valuable assistance to students

Chowan provides a federally funded Special Services program offered to students who need special assistance. This program offers free tutoring to the students who need help with English, Math, Religion and other major courses. Special Services also has information on transferring to a four year university and other educational opportunities that students may want to explore. Special Services is used by many of the Chowan students who feel that it is a place to receive helpful guidance, advice and help in improving their grades.

Frank Stephenson, Director of Special Services, sets up a projector for a meeting.

Mary O'Connor seeks solace from Joyce Everette, Secretary of Upward Bound.

Mrs. Carla Chamblee serves as counselor for many students.

Literature is available to serve all students.

## Belk Hall

Belk dormitory is one of two female dormitories on campus. Belk houses 200 females with its three floors. Belk is an active dorm on campus. The residents have participated in many weekend activities, such as Homecoming and Spring Festival. Mrs. Stanfield is the Resident Director of Belk Hall.

Terry Settle, "settles" down for a good night sleep with her favorite friend.

"See, I told you I was right!"

The next best thing to being a Brave.

Belk's Resident Assistants and Resident Director help to make the dorm a happy place to live.

Elizabeth Tate finds it hard to decide which munchy to eat next.

# Jenkins Hall

Jenkins Hall houses approximately 104 female students on two floors. The residence hall is a small dormitory which allows for a close "family-type" atmosphere, and the forming of very close friendships. Residents of the dorm participated in many campus activities throughout the year, including the Homecoming Parade and with special Monday Night Series programs. With Mrs. Doreatha Thompson as Resident Director, the residence hall claimed honors in intramural competition in all sports, and also received a prize for exhibiting the float with the best theme in the annual Homecoming Parade.

(Left to right) RA's Dana Smith, Mrs. Thompson, Resident Director (center), Marion Gibbert, Sherri Clegg, and Susan Utt make living in Jenkins worthwhile.

Darby, Andi, Dana and Susan feel they should run for Homecoming queen.

Jenkins Hall provides a home like atmosphere for women.

Barry Hurdle relaxes after a hard day's work.

Mixon residents wave their banner to boost support of the Braves.

Mixon Hall shows school spirit during the Homecoming Parade.

## Mixon Hall

Mixon Hall, the oldest of the men's dorms, was renovated two years ago and now can compete with the nicest and the newest dorms on campus. It has a comfortable downstairs lounge and wall-to-wall carpet at the entrance that makes its residents feel right at home. Mixon is two stories high, has 50 rooms and houses approximately 100 students. Mixon men participate in all aspects of college life and campus events, particularly intramurals.

One of four men's dormitories, Mixon Hall is located between Simons and West Halls.

Leadership in the residence hall is provided by the Resident Director and RA's. Pictured are, left to right, front, Ray Williams and Barry Woods, RA's; back row, Bill Fullaway, RA; and, Barry Hurdle, RD.

## West Hall

West Hall is home away from home for many students. West Dormitory is one of the four male dormitories on campus. West has three floors and 108 rooms which house approximately 300 males.

West has sponsored various activities throughout the school year, such as dances held in the lobbies, movies shown on the weekends, and several Monday night series which are held in Marks Hall featuring lectures given by various guest speakers.

A phone call is a welcome relief from the daily routine.

Barry Thigpen, right, uses his spare time to study between classes.

Leaders of the pack: RA's and RD of West Hall, Mike Bradley, RD, center; left to right, Gene Frazier, Steve Smythers, Greg Tucker, Cedric Bijou, and Randy Garrett. Not pictured is Eric Kaiser.

David Woods wants to be a Brave.

Allan Simpson, Joe Petrozak, and Jim McDonald eagerly await open dorm.

Karen Whitney signs into Parker Hall for dorm visitation.

Parker's version of the "A-Team," RA's are pictured as followed: Eric Brown, Paul Atkins, Kelly Connors, William Blake, Jelt Muzi, Joey Gardner, Jerry Lamonds, Joe Petrazak, Andy Mason, Al Zucker, and RD (right) Kenny Bunker.

Mike Zimmerman takes a break from studying to relax before hitting the books again.

## Parker Hall

Parker Hall, or "the Hilton" as it is known by its residents, sits off the main campus overlooking the lake. Most of the school's athletes live in Parker, but all of the residents build strong leg muscles walking up and down the hill to the cafeteria and to classroom buildings.

One of the major projects this year, headed by President Donald Bostic, was the installation of cable T.V. in the lounge, something that other dorms already have. However, attempts thus far to bring MTV to Parker have been unsuccessful.

Parker has much to be proud of, though. The prize for the best Homecoming float was awarded to Parker for their construction of an Indian village, complete with a teepee, Indians and animals.

Parker Hall has dominated the Chowan Bucket, given for the first time this year to the dorm that shows the most school spirit and participation in athletic events. Parker held one dance in the fall and one in the spring and, last year's Mr. Chowan bodybuilding contest was so successful that residents decided to repeat it this year.

Calm, cool, and collective...this "Parker Bunch" takes a break from various sports to pose for a picture.

## Simons Hall

Simons Hall houses 118 males and stands three stories high. Simons Hall was built in 1960 and is one of the oldest dorms on campus. Until this year, Simons was known as East Hall. It was renamed during the fall semester to honor J. L. "Roy" Simons, a long-time member of the Board of Trustees at Chowan College.

Will the real R.D. please stand up?

Ted Bartoshesky hangs around the dorm after classes.  
Percy asks, "when's it due?"

## Non-Boarding students add much to campus life and activities

The non-boarding students comprise a large part of the Chowan family and make many contributions to college life. These students commute to the campus on a daily basis from Aboskie, Roanoke Rapids, Aulander, and Franklin, Va., Suffolk, Va., and many other towns and areas. Non-boarding students take active parts in campus clubs, organizations, activities, and provide a valuable link between the campus and the surrounding communities.

Yvonne Eleason received a presidential scholarship and is shown with President Whitaker.

Suzanne Edwards is a member of Spring Festival Court.

Wendy DeMao was selected as a member of Spring Festival Court.

Debbie Langston is a member of the Cheerleaders.

Shari Harris and Mike Baker in science experiment for Math-Science Day.

Anne Nicholson is active in campus activities.

Paul Pearce, second from right, served as President of newly-formed chapter of Data Processing Club.

Marcia Taylor claimed honors as a member of the Volleyball team.

# Historic Murfreesboro has Rich Heritage; Many Buildings Restored

Banks Building

Where Chowan Began

“Melrose”  
Murfree  
House

Rea  
Store  
and  
Museum

Today's Murfreesboro is a mixture of the old and the new. Modern neon buildings are nestled awkwardly in the midst of the strong, stately buildings of yesterday.

The town of Murfreesboro has a heritage that it is known for throughout the State. As a result of many hard years of struggle and much debate, many valuable homes and other sites have been preserved for modern day appreciation. The historic district, which displays many of the older homes, sits a block behind Main Street on Broad Street. The Robert-Vaughan Center in the middle of town houses the town library and the Chamber of Commerce. McDowell Columns Building on the Chowan Campus is also one of the oldest buildings in town, and at one time contained the entire college.

The  
Rev. Thompson  
House

# Examinations are Part of College Life

Exam time brings a tiresome tense feeling that the majority of the student body experiences twice a year.

During exam period the dorms enforce a 24-hour quiet time for the students to have a chance to study. Also, during exams the cafeteria provides "late night snacks" such as strawberry waffles and other goodies, served up by members of the faculty and staff. All these activities hopefully pay off when the students receive their excellent exam grades!

Pamela Register prepares for final examinations by transcribing class notes and making sure the notes are in order.

William Cole reads again assigned textbook material.

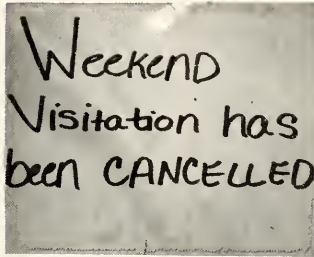

Jenny Burgess finds a comfortable spot and complete sample problems which she might encounter on her Accounting examination.

## Dorm Visitation

For the first time this year, Chowan students have been allowed to bring members of the opposite sex into their dorm rooms, as long as they abide by the hours and the rules that have been established. Each weekend three dorms are eligible for visitation, and the dorms alternate so that all students get to participate.

Visitation is a privilege that students at Chowan have worked for for many years. This year everything seems to be going just fine. Students, male and female, are showing the faculty and administration that they can act like adults when they are given responsibilities.

Camera shy Percy Dingle visits his girlfriend Cynthia Brissbon.

So whatever happen to the "both feet on the floor" requirement? Huh, girls?

Cheers! The snack bar is a good place to catch a quick Coke and to view television. (Right photo)

Pat Doyle, above, enjoys the sunshine in Squirrel Park.

Lisa Jones and Tim Phelps (right) find time to play soccer in Squirrel Park during the weekend.

Teresa Collins (right photo) jams on the dance floor at a local establishment with her friends. I want this one!...

Any day is a good day for shooting pool in the student center, as seen in the above photo.

In the left photo, Pam Register spends some of her time off campus shopping in one of the local food markets.

## Department of Language and Literature

Do you enjoy writing poetry, short stories, or papers on your favorite topics? If you do, then the Department of Language and Literature is for you. Students in this department write compositions on various topics, study English poems and plays, and short stories. Students may study writers from the Anglo-Saxon period through the 17th Century, or from 1700 to the present day. Students in Voice and Diction learn to develop a pleasing and effective voice. In the Public Speaking course, students learn to develop skills in extemporaneous speaking.

**Ms. Crouch Retires  
After a ¼ century at Chowan**

**Miss Anna Belle Crouch**

Miss Anna Belle Crouch retired in December, 1983, to complete 25 years of service to Chowan College and her students as Professor of Business and English.

Miss Crouch joined the faculty in 1958 and served in various capacities, in addition to her teaching responsibilities. At one time, she served as Dean of Women, Residence Hall Director, and was active with the College Choir and the Drama department.

As a token of appreciation for her valuable service to the college and as a gift from the Chowan College Family, Miss Crouch was presented a portable electric typewriter by President Whitaker at a party in her honor in December.

At its semi-annual meeting in February, the Board of Trustees adopted a Resolution in honor of Miss Crouch and in tribute for her service to the institution.

The Staff of the 1984 CHOWANOKA joins the students, faculty, administration and staff in extending to Miss Anna Belle Crouch sincere gratitude for a job "well done" and genuine best wishes for an enjoyable retirement.

Anna Belle Crouch, as pictured in her first year at Chowan as assistant Dean of Women in 1959.

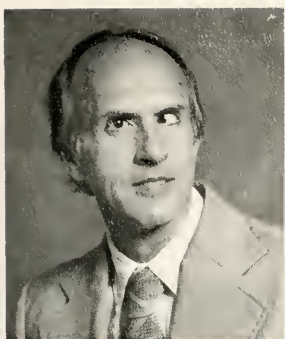

Dr. Garth Faile  
Chairman

## Department of Science

What do Biology, Zoology, Human Anatomy, Human Physiology, Chemistry and Physics have in common? They all belong in the department of science. Students in this department study cellular organization and control, evolutionary relationships among the major animal phyla, the inter-relationships of plants, cardiovascular, muscular, and nervous mechanisms, the theories and laws of chemistry, and the basic principles of mechanics, heat, wave motion, and optics.

James Dewar

Dr. Faile explains the proper procedure for performing the laboratory experiment in right photo. Below, Mr. Dewar looks on as gifted and talented students perform experiments.

Thomas E. Ruffin  
Acting Chairman

## Department of Business

Climb up to the third floor of Marks Hall and you'll be met with a humming sound like a hundred busy bees. No, that isn't the buzz of killer bees, but typist hard at work in the Business Department. If the students aren't typing, they'll be running machines, practicing shorthand, taking dictation, or solving accounting or economic problems. All 'n all, they'll be learning how to survive in the Business World of the 80's with the one year and two programs combined. The Business Department is one of the largest departments on campus. Now students in all majors and interests are being initiated into computer technology with classes taught by Mrs. Jones and Mrs. Clark in the maintenance building. The department is also proud of its expanding merchandising management program. Most of all, students look forward to Wednesdays - dress up day - when they can dress for success!

Andrea Eason

Patricia B. Edwards

Hattie R. Jones

Hope Clark

L. M. Wallace

Dorothy Wallace

Cynthia Grady

Stacy Lee Deavours

Carl Simmons  
Chairman

## Department of Mathematics

Do you enjoy working with numbers or studying logic, numeration systems, sets and set operations, solution of triangles, the real number systems of equations and inequalities and determinants? If you do, then the Department of Mathematics is for you. Students in this department may take courses, such as Introduction to Mathematics, Algebra, Analytic Trigonometry, Descriptive Geometry, Probability and Statistics and Calculus.

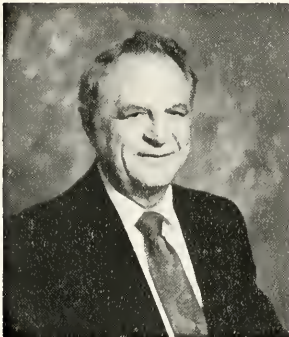

Achen Harden

Wesley Shrewsbury

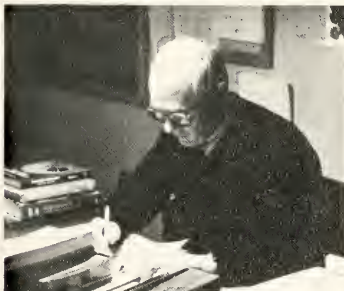

Dr. Calvin Owens

Glenn McFadden

Edward Wooten

Mr. Harden sits tucked away in his office grading papers.

Phyllis Price uses time in the afternoon to do her homework and prepare for the next day's class in science.

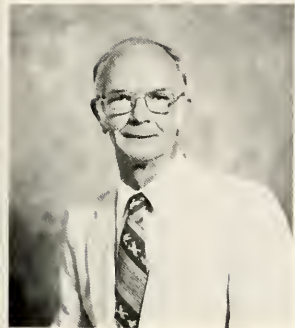

Rowland Pruette  
Chairman

## Department of Religion and Philosophy

Do you enjoy reading and learning about the Bible? If you do, then the Department of Religion and Philosophy is for you. Students in this department may take courses such as the Old Testament, the New Testament, Religion, and Philosophy. Students learn about Israel's life story in the Old Testament, and the story of Jesus and Early Church in the New Testament. Students taking Philosophy are encouraged to develop a mature philosophy of life, personally satisfy life goals, and make appropriate judgements of value.

Dr. Earl Parker

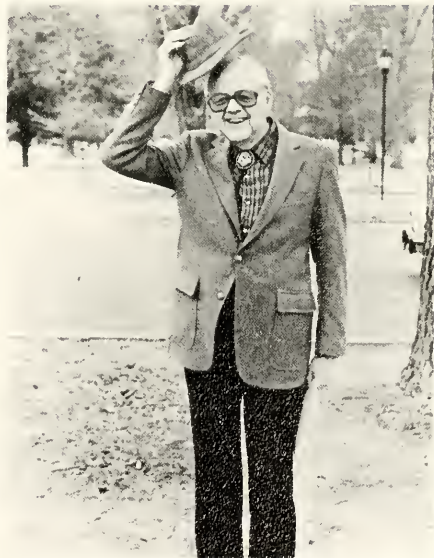

Esther Whitaker

Daisy Lou Mixon

Research and study are essential in religion and philosophy classes.

Mr. Pruette is considered one of the friendliest professors on campus as he is photographed tipping his hat to the photographer.

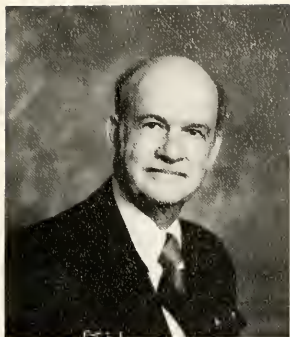

Warren G. Sexton  
Chairman

## Department of Social Science

What do psychology, sociology, Western Civilization, History and Government have in common? They all have to do with the development of mankind, and they all belong in the department of Social Science. Students study subjects ranging from the Crusades to schizophrenia, from the Civil War to Ronald Reagan, from the disappearance of the American Frontier to the shrinking of the American dollar. After examining the past deeds and adventures of the nation, we can make better decisions for our future. In this department, students and faculty alike must keep abreast of daily events and discoveries. Our teachers certainly make the past come alive and bring the world even closer to Chowan College.

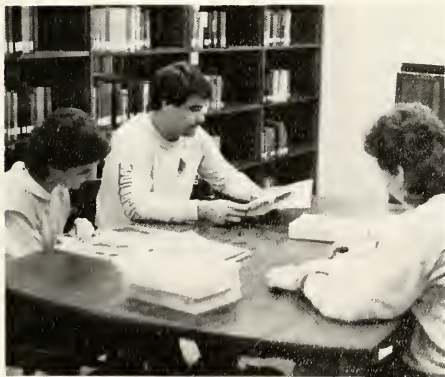

Charles Paul

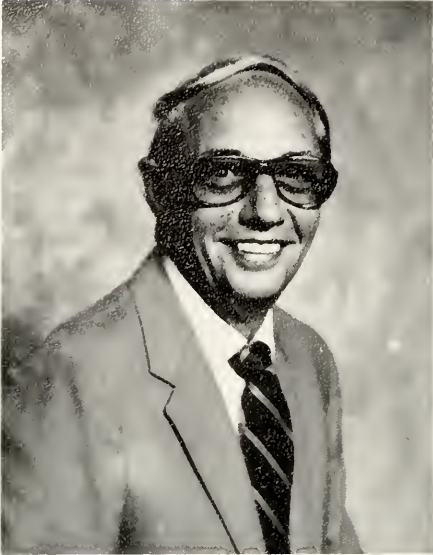

Dr. John Gosnell

A popular gathering spot for students in between classes is in front of Marks Hall.

Mike Gish, Tammy Taylor, Maria Salaga and Laura Varner spend a little time in the library to study for a test.

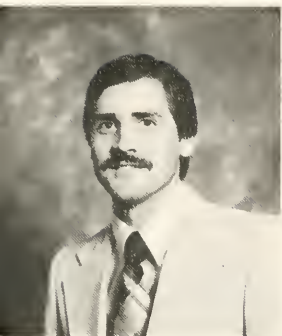

Herman W. Gatewood  
Chairman

# Department of Graphic Communications

Do you like taking pictures? Did you enjoy working with your high school yearbook or newspaper? If you answer yes to any of these questions, then the Department of Graphic Communications is for you. The department not only educates students for opportunities in photography, but also in the printing and publishing industries. Students learn about printing production which includes modern newspaper publishing, books, and commercial printing. Students are also trained in computerized phototypesetting equipment, several types of process cameras, different sizes and models of offset presses, and techniques of color separation, stripping and platemaking. Students in the Printing Technology major are able to participate in the production of the college catalog, brochures, the yearbook, and the student newspaper.

Dwight G. Collier

Mr. Gatewood takes time to relax and gather his thoughts before the next class begins.

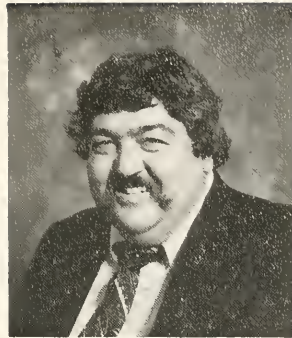

Dr. James Chamblee  
Chairman

## Department of Fine Arts

Do you doodle on your desk during class instead of taking notes? Does your roommate complain of your singing in the shower? Do you even wish your air guitar were a real one? If you answer yes to any of these questions, then the Department of Fine Arts is for you. There you can study music of many varieties and its history, drama, dance, drawing, painting, design, and ceramics. And, if you don't have the talent, but still like the subject, you can still sign up for appreciation courses in almost all areas. Feel creative? Hurry on over to Green Hall or Daniel Hall. You may have some hidden talent just waiting to be discovered.

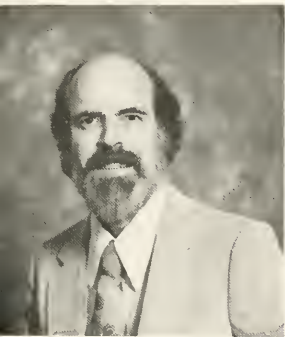

Robert Brown

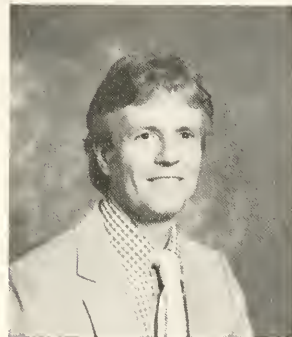

Douglas Eubanks

Dr. Hugh Middleton

Stanley Mitchell

David Parker

Mrs. Barrett  
Secretary

Mrs. Marla Hunnings

Dr. Chamblee directs the college chours in a song for the annual Founder's Day observance in Helms Center.

Geraldine Harris  
Head Librarian

## Whitaker Library

Working on a term paper? Looking for a good book to read? Or does your roommate play his stereo so loud that you just can't study in the dorm? Until 10 o'clock every weeknight, you can come to Whitaker Library, the favorite gathering place for students after supper. The librarians will be happy to help you find what you need. The Chowan facility is one of the most well-stocked private school libraries in the state, continuously acquiring new books and updating all materials. Often you will see students who have tucked themselves away in a quiet corner for several hours of work. Or maybe you see students who gather around a table with their friends. Many people simply want to relax with a daily newspaper or magazine. Whatever you want or need, Whitaker Library has it - or will get it - for you.

# Librarians

## Department of Health and Physical Education

P.E. - it isn't just for athletes anymore. Head over to the Helms Center almost anytime of day or night, and you'll find just as many 90 pound weaklings as you will 300 pound jocks, pumping iron, playing raquetball, swimming in the Olympic size pool, shooting some baskets in the gym or relaxing in the sauna or a steam bath. Outside, classes learn tennis, workout on the football and baseball fields, and run track. The Department of Health and Physical Education at Chowan is concerned not just with building good athletes, but with building healthy students and adults. In the classes that they teach and the facilities they offer, they emphasize a health and exercise program that one can and will continue for a lifetime. So stretch those muscles! Burn that fat! And remember, you're not doing it for a grade, you're doing it for your life!

Bob Burke

Jerry Hawkins

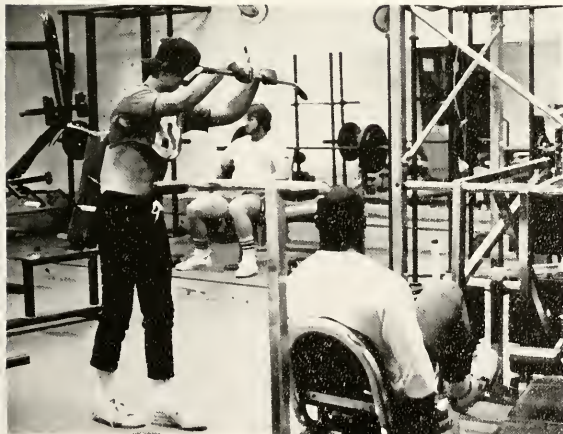

Gay Scott

Ken Bunker lectures to his advanced tennis class about the finer points of the game.

Janet Collins

Weightlifting is a popular class to take in the Department of Health and Physical Education.

## Faculty, staff join students in campus activities

One of the real strengths of Chowan College, in addition to the academic programs, is the involvement of faculty and staff with students in campus activities. In almost every campus function, from athletic events to teas and receptions, faculty and staff members join with students in friendship and fellowship.

Professor Bob Brown joins with members of the stage band to provide "Brave boosting" music at athletic events.

Professor Patsy Marks offers advice and suggestions to Tammy Kiger in the planning of a student event.

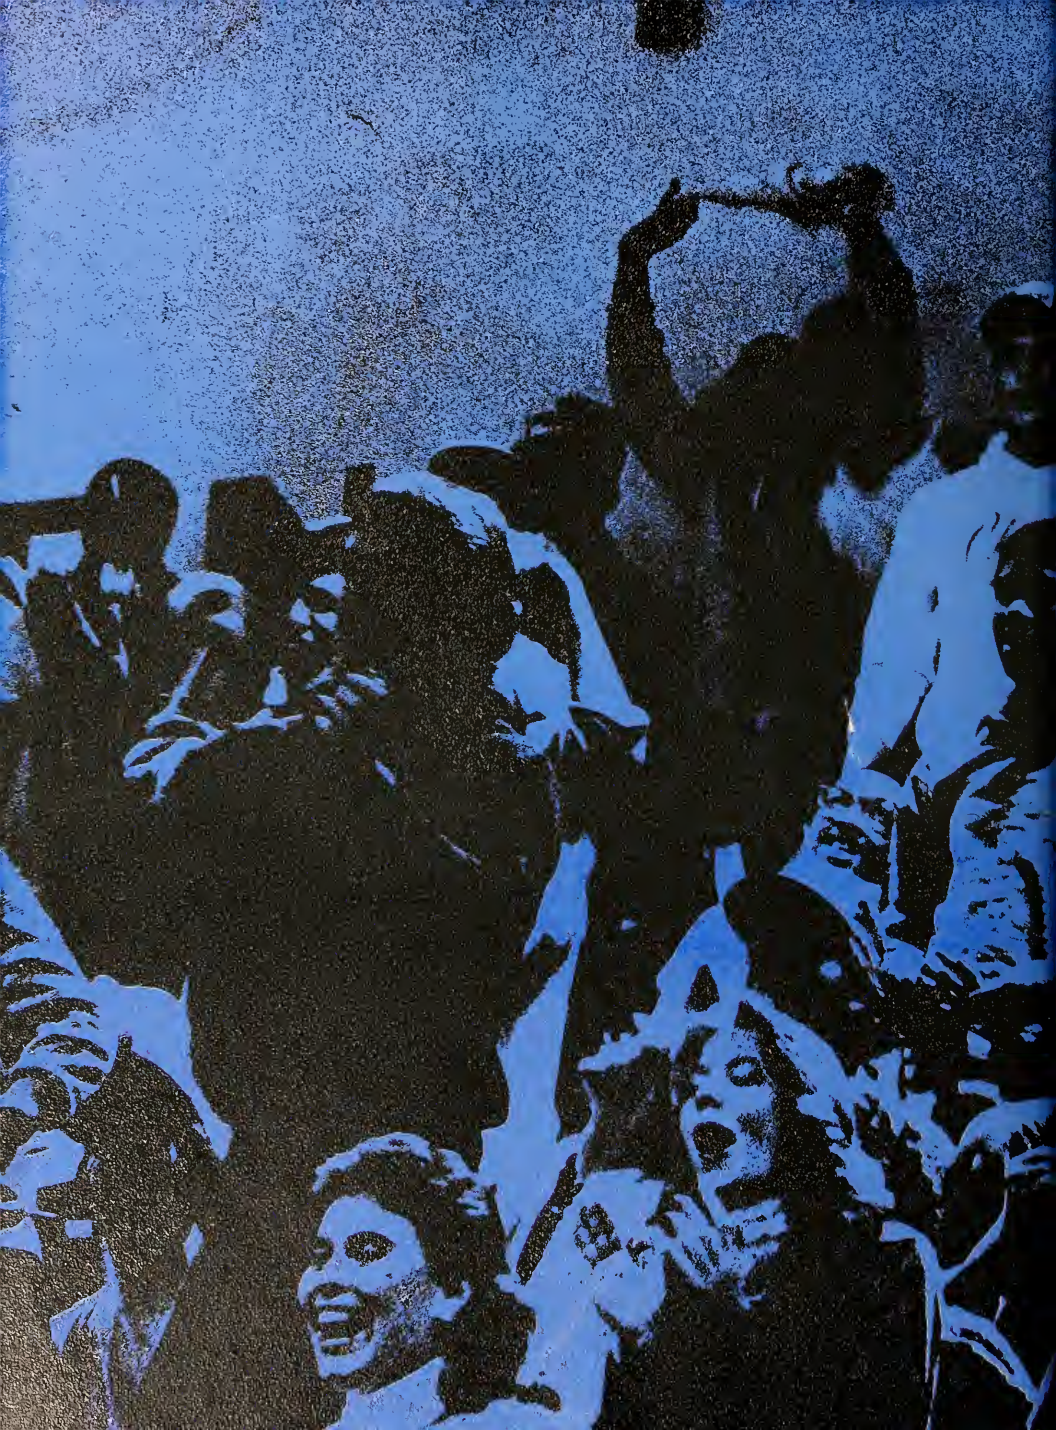

Left photo, faculty members and students join together to enjoy dinner in the President's Dining Room of Thomas Cafeteria.

Below, Dr. Garth Faile, second from right, chats with students in the den of the President's Home during a reception honoring students achieving academic honors.

Head Coach: Jim Garrison

Assistants: Dan Surface

Jerry Hawkins

Mike Bradley

Ken Bunker

C. B. Owens

Although no bowl bids or conference championships came their way this year, the Chowan Braves Football Team emerged victorious from a tough, biting season.

The 1983 squad, coached for the 26th year by Jim Garrison, entered the season with fewer experienced players than perhaps any Braves team in 10 years. But Coach Garrison would settle for nothing less than the best from sophomores and freshmen players alike.

Off to a rousing start, making victims of a very experienced Newport News Apprentice School and the ever-prestigious UVA-JV team, the Braves fell prey in the third match to number one-ranked Harford.

Perhaps the favorite game of the season was the Braves' Homecoming victory over arch-rival, Ferrum College. The warm October sun and the 27-7 score made a near perfect afternoon for the Braves' fans that packed the stadium to see that thriller of a game.

Suffering one more loss, to number five-ranked Nassau, Chowan ravaged Wesley, Lees-McRae and Potomac State in easy victories.

Nine Braves made the All-Region Team. Two top players, Jeff Gethers and David Kramer, were selected to the NJCAA All-American Team. Many other players were recognized by spectators and recruiters, and will play next season wearing another school's colors.

But to the many returning freshmen--GO BRAVES 1984!!

Coach Bradley gives instruction on the side lines.

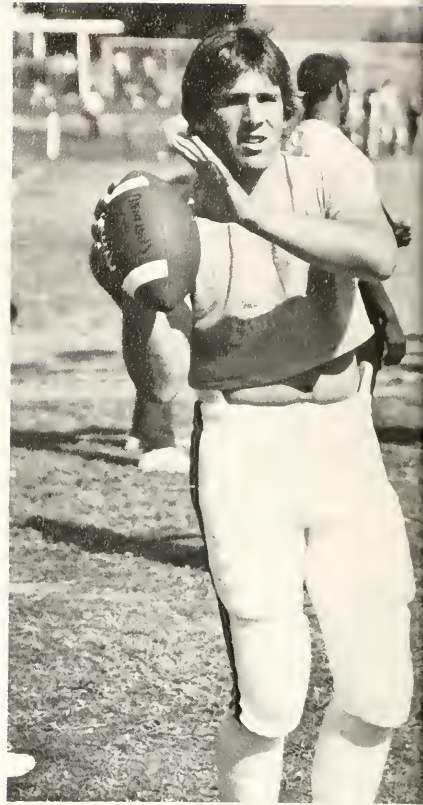

Braves in pre-game warm up.

Chowan Mascot helps the spirit of the Braves come alive.

Team members look on with anticipation for the decision of the referee.

Practicing his quarterbacking techniques, Angelo (Palmieri) prepares to throw the rawhide.

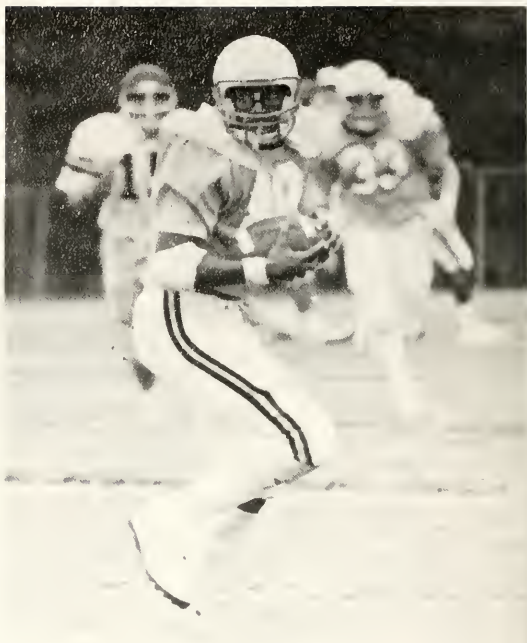

Chowan scores yet another touchdown against the weary Ferrum defense.

A West Hall resident represents the spirit of Chowan students at the Homecoming football game.

The Chowan Braves defense was just too much for Ferrum to run the ball.

After catching the perfectly thrown pass, Anthony Hill decides which way to run.

The Chowan defense knows what it must do when the ball is hiked.

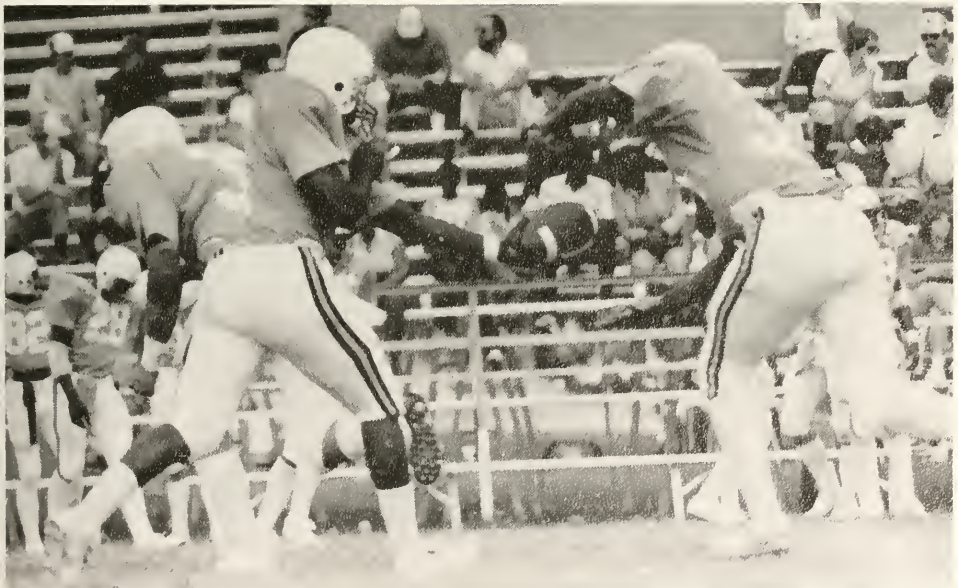

Chowan recovers a loose ball which gives them good field position inside the 20-yard line.

A pitch-out to the right forms a hole in the Ferrum defense and enables Chowan to strive for a first down.

Even on the pass, Chowan's defense charges to make the tackle.

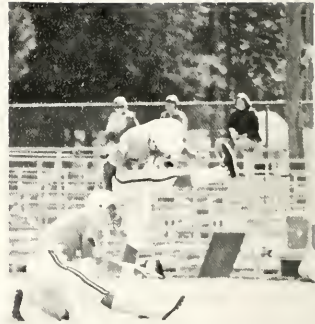

The Chowan offense practices handing off the ball before the Homecoming Game begins.

The field goal is good which gives Chowan three more points on the scoreboard.

A first down is needed on 3rd and 1, and the Braves' offense has no problem gaining enough yardage.

Another touchdown for the Braves assures another victory.

A thirty-yard pass is caught and, in all, forty yards are gained.

The coin is tossed, and the Braves will receive the ball first.

Victory is what the Chowan Braves enjoy most, and the taste of victory is sweet.

20 Losses

# Wrestling

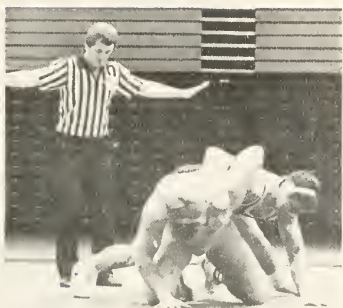

The 1983-84 season for the Chowan Braves Wrestling Team was the best it has seen in several years. With a team consisting of mostly freshmen, new to the college-level competition, the Braves found that they had to stretch a few more muscles and lose a little more sweat during the fall practice in order to be in top condition. But the work paid off! The matmen grappled their way to a 12-1-1 season finish. Though they placed a disappointing 4th in the tournament, four freshmen were chosen to compete at the nationals. Tony Thomas, 118, Len Daniels, 142, Chris Brock, 142, and heavyweight Tim Britton represented our school. Coach Tom Martucci and his Braves have shown us that they have that winning Chowan spirit!

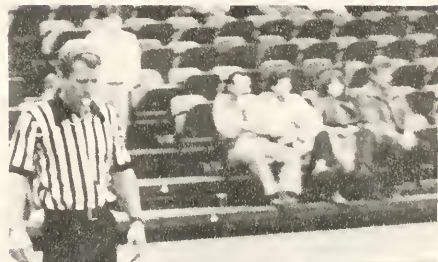

CHOWAN COLLEGE WRESTLING

Anticipation hovers as the team looks for another victory.

Chris Brock waits for 6 points.

# Women's Basketball

The 1984 Lady Braves Basketball Team had a split season with a conference record of 4-4 and an overall record of 12-12, but they scored some victories in Chowan's basketball history. With a team made up of only four returning players and eleven freshmen, the Lady Braves finished the conference tournament in third place, being beaten in the first round by Louisburg. But in the last game of the season, the women dribbled easily over Louisburg in what was the first Chowan victory over the team ever. Also for the first time, the Lady Braves whipped Peace College in Raleigh. The leading scorer this year was freshman Sue Morrison, averaging 9 points per game, followed by sophomore Renee Cason, with 8.4 points per game. Ava McClearn, freshman, lead the Lady Braves in rebounds, averaging 7.4 per game. With these players and other outstanding freshmen returning next year, 1985 should be a winning season once again!

# Men's Basketball Team Sets Historic Records in Conference, Region, Nation

Under the tutelage of coaches Bob Burke and Ken Bunker, 1983-84 will go down in history as a season of "firsts" for the Chowan College men's basketball team. This team was the first Chowan College basketball team to ever capture the Region X Tournament championship; the first to participate in the NJCAA National Tournament in Hutchinson, Kansas; and the first Chowan team to ever post as many as 30 wins in one season. The Eastern Tarheel Conference championship and the Eastern Tarheel Tournament championship represented added trophies along the way towards an outstanding season. Our Braves finally settled for 4th place in the National Tournament, after narrowly missing a chance to play in the title game on a miracle "shot at the buzzer," giving Independence (Kansas) a 77-75 victory in a hard-fought contest.

Led throughout the lengthy season by the stellar play of sophomores David Burgess, Nate McMillan, John Thomas, and Todd Wright, the Braves were bolstered - offensively and defensively - by a crop of talented first-year men. Tracy Battle, Jerome Cooper, Jim Dillard, and Greg Hollingsworth all clocked considerable playing time, with each contributing significantly to a balanced scoring attack and a strong defense. Notable key reserve roles were played by freshmen Clifton Lynch, Mike Moore, Frank Parker, and Scott Reece.

With eight men expected to return next year from a team of twelve, 1984-85 holds the promise of being another banner year for Braves Basketball!

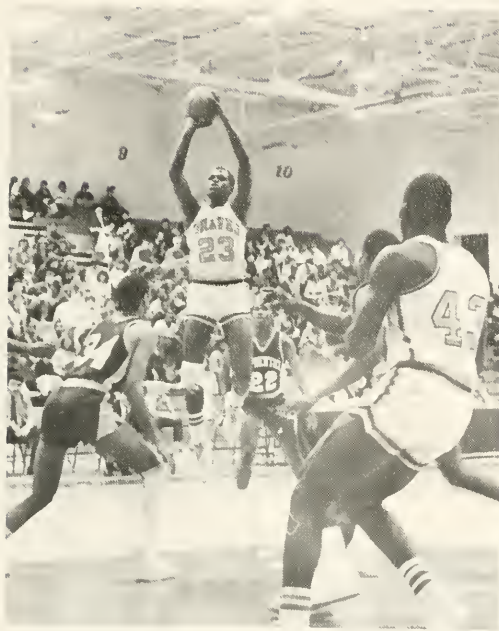

Chowan College  
1983-84 Roster

No.	Name	Class	Ht.	Pos.	Hometown
12	Clifton Lynch	F	5'10"	G	Rocky Mount, NC
21	Greg Hollingsworth	F	6'2"	G	Raeford, NC

45	Tracy Battle	F	6'6"	F	Rocky Mount, NC
50	Jerome Cooper	F	6'7"	F	Warrenton, NC

Head Coach: Bob Burke

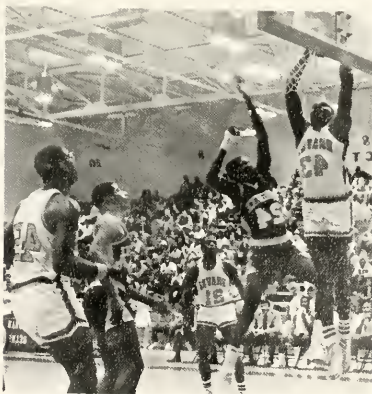

Asst. Coach: Kenny Bunker

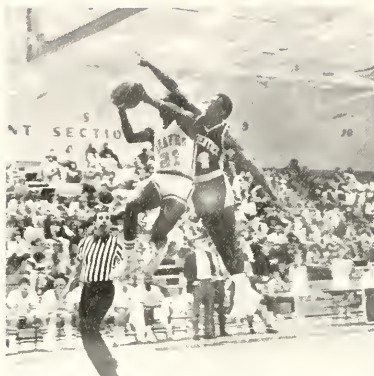

Nate McMillan in the lane for two.

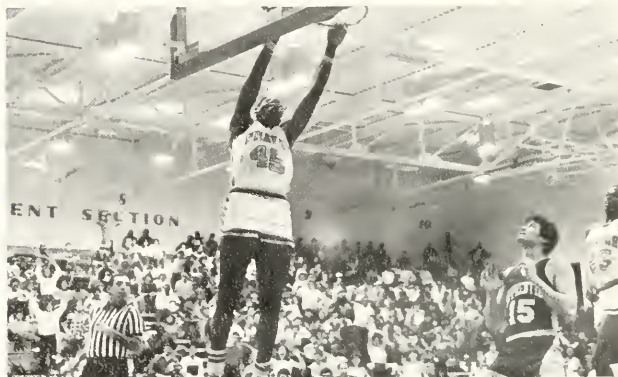

Greg Hollingsworth for a soft jumper.

Dave Burgess for an easy bucket.

Greg Hollingsworth drives for a 3 point play.

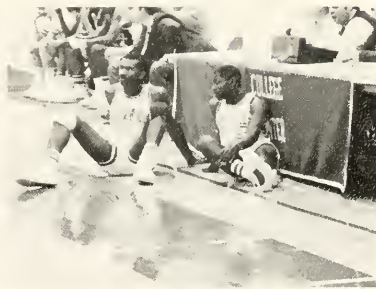

Tracy Battle throws down an easy two.

Burke examining the situation.

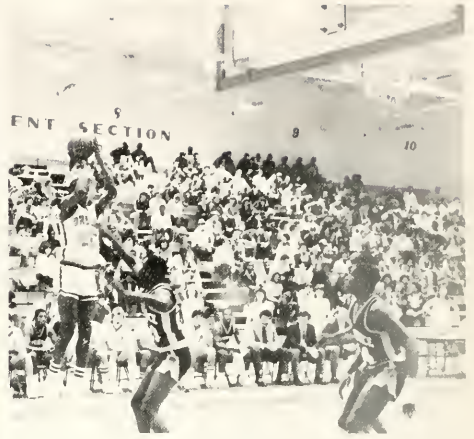

Jerome Cooper with a baseline jumper.

Jerome Cooper and Clifton Lynch waiting to show their stuff.

John Thomas clears way for Nate.

Jim Dillard for the outside jumper.

Todd Wright puts up one of his patten jumpers.

Coach Burke and Bunker stare in amazement.

Dave Burgess shows why he is All-American material.

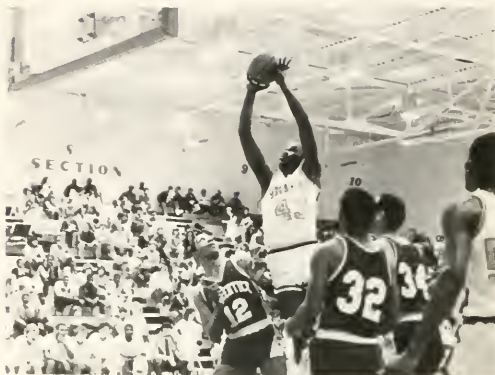

Coach Burke discussing strategy.

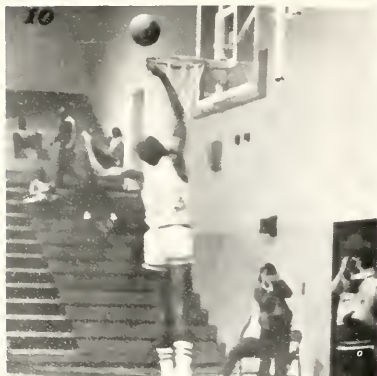

Welcome to Chowan, Ferrum.

John Thomas for easy two against Spartanburg Methodist.

Dave Burgess seals another win.

Nate McMillan sneaks inside for easy two.

Jim Dillard shoots a quick jumper.

# Conference

The Chowan Braves emerged as Champions of regular season play in the Eastern Tar Heel Conference, to begin their trip to Hutchinson, Kansas, and competition for the national title. The Braves posted a season record of 22 wins, and seven losses at the end of the regular season, with a 5-1 record in conference play.

The Braves entered the conference tournament, held at the Jesse Helms Physical Education Center, as a favorite to capture the conference crown. In the opening game, the Braves defeated the Mount Olive College Trojans, the only team to top the Braves in regular play, in order to meet arch rival Louisburg College in the finals.

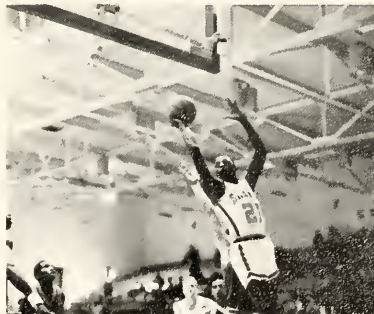

Team shows off winnings after Louisburg win.

Dave Burgess begins to cut down the net in victory.

Tracy Battle puts a jumper.

Hollingsworth brings ball up court against Mt. Olive.

# Braves claim first Region X Championship

For the first time in 54 years of basketball competition, the Chowan Braves captured the Region X championship title, by defeating the Lees-McRae Bobcats 73-53. The championship title allowed the Braves to advance to the first round of the national NJCAA Tournament. The victory gave the Braves a 27-78 record and tied an all-time school record for single season wins.

Nate McMillan, Tournament Most Valuable Player, led the Braves in the region championship win. He scored 25 points, grabbed 11 rebounds, and handed out nine assists. Other leaders were John Thomas with 16 points, and Greg Hollingsworth with 12.

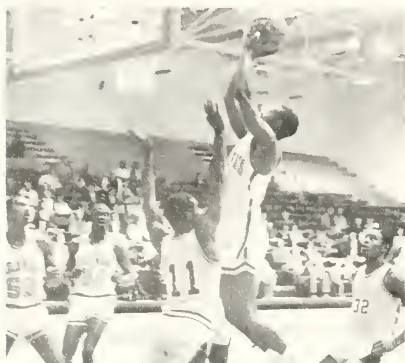

Chowan defeated Ferrum College in the semi-final game, 77-68, to earn the spot in the final game against Lees-McRae.

Team Celebrates after win over Lees-McRae.

Clifton Lynch takes his turn cutting down the nets.

John Thomas climbs over Bobcat for two.

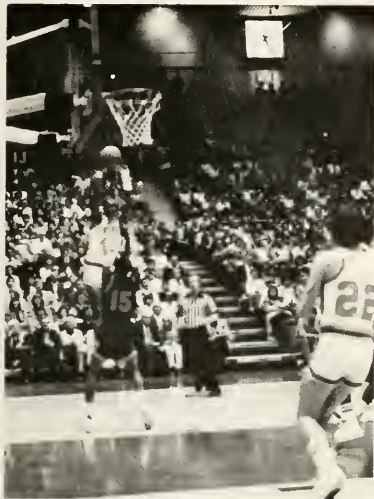

Nate McMillan receives Region X Player of Year.

# Nationals

For the first time in the history of Chowan, the Braves Basketball team advanced to the National Junior College Athletic Association's national tournament. The Braves earned the right to travel to Hutchinson, Kansas, by defeating Allegheny-Pittsburgh in the Helms Center.

Upon arrival in Hutchinson, the Braves were faced with a winter storm which deposited 12 inches of snow on the ground. The fierce storm had little affect upon the team, and they met Delgado (La.) College in the opening round and won 91-88 in overtime play. In semifinals play, the Braves topped Ricks College of Idaho 86-80, to gain a spot in the Final Four.

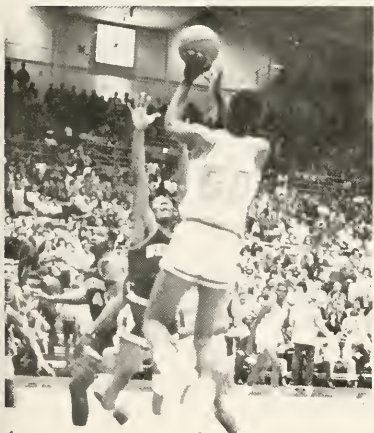

The Braves then faced Independence (Mo.) College, a team destined toward the championship, and were defeated 77-75 by a "buzzer shot" in the last seconds of the game. In the battle for third place of the NJCAA tournament, the Braves lost to Westchester College, 84-78 in overtime, to emerge as No. 4 in the nation.

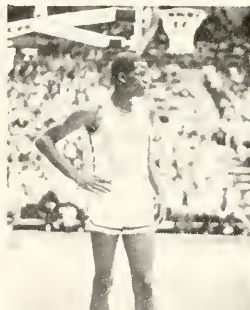

Tracy Battle pulls down an important rebound.

Todd Wright puts up one of his patten jumpers.

John Thomas puts up an easy two.

Nate McMillan looks over the situation.

Jim Dillard's sparks excites the crowd.

Greg Hollingsworth cuts down the net after the victory over Allegheny.

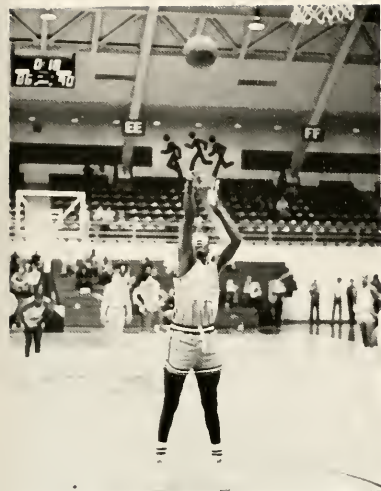

Braves anticipate triumph in National play.

Dave Burgess makes his presence known.

Jerome Cooper puts up a jumper over a Westchester player.

Tracy Battle makes important free throws in Kansas.

Nate McMillan gives an example of Braves pressing defense.

Todd Wright brings ball up court against Independence Kansas.

Coach Burke takes his turn in post game celebration.

# Baseball

The first sign of spring is the crack of the bat and the hard round ball flying through the sky as the Chowan Braves Baseball Team begins its season. The 1984 squad went into the first game with great expectations. Two sophomores, David Buff, playing outfield and averaging .354, and Allen Harrell, pitching and playing infield and averaging .397, who were selected All-Conference last year, returned this year to lead the Braves. Freshman David Hornsby was drafted in the second round this spring by the San Francisco Giants. Many other top sophomores and freshmen played hard against tough conference teams.

## Roster

Scott Altman, Tony Brabble, David Buff, David W. Campbell, Mont Carter, Aparicio Clifton, Kevin J. Collis, Danny Cribb, Stacy Daniels, Sammy Davis, Gene A. Frazier, Randy Garrett, Curtis Gaskell, Tommy Gillam, Tommy Grooms, Aubrey Allen Harrell, John E. Hogge II, Ricky Holder, David Hornsby, Scott McCall, Bobby McKinney, John R. Miller, Johnny D. Mintz, Wayne Murphy, Randy Salyer, James P. Smith, Vernon R. Stalls Jr., Wally Weir.

A meeting on the pitcher's mound.

Coach Hawkins

Look at him throwing that ball.

One more run to bring Chowan closer to a victory.

Warming up for the game.

Easy out on first.

It's a fast ball.

Holding the man close to first.

Waiting for the ball!

Another base hit.

Coach Hawkins is coaching third base.

Did you see that?

# Softball

Sophomores Missy Parker, a centerfielder who was named All-Division last year, DeAnne Batchelor at infield, Elizabeth Stillwell and Michelle Thomas led the Lady Braves to victory in the 1984 Chowan Softball Team season. Last year these players contributed to Chowan's 15-10 season finish, placing them second in the conference. This year, with a number of returning players, the season should look even better. Four teams compete in conference play—Louisburg, Peace, Mt. Olive and Chowan. The season opened on March 20 against Virginia Wesleyan.

## Roster

DeAnne Batchelor, Valerie Boyd, Sharon Gillard, Wilma Howard, Gail Kempton, Tammy Kiger, Tammy Long, Wilhelmena McCleave, Sue Morrison, Missy Parker, Mandy Peebles, Susan Pope, Alycia Quick, Denise Rizzolo, Elizabeth Stillwell, Michelle Thomas.

Coach: Gay Scott

Managers: William "Mac" Beach

Phyllis Cooper

Trainer: Mary Barnum

Parker scores another run.

Pope dips for "OUT!"

The team thinks about the game.

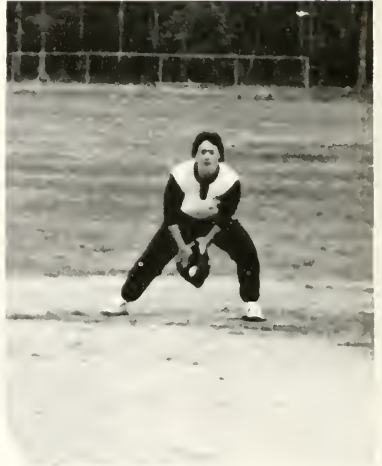

Teamwork pays off.

"RUN!"

Tammy guards the line.

Team awaits Game 2.

Tammy coaches first.

Mac helps the team with the books.

# Golf

This year's Chowan Braves Golf Team, coached by Bill Sowell, went into the season well under par. All of last year's team graduated in the spring; therefore, all new freshmen compose this year's drivers and putters. In two tournaments played in the fall, the men displayed their talent. They finished 8th in the Ferrum Invitational against twenty-one teams, both two- and four-year schools. In the Old Dominion Golf Invitational, they finished 3rd against ten two- and four-year schools. This season, which began March 2, included matches with three other conference schools—Lenoir Community College, Mt. Olive College and Louisburg College. Led by Darien Smith, Mike Yarussi and Burt Williams, the Braves finished another tough season on the greens and fairways.

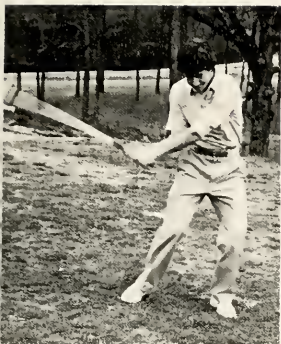

## Results For The 1983 Golf Team

Marty Smith

# Congratulations

Players and coaches of Chowan teams received a "lion's share" of trophies, plaques and honors during the 1983-84 year. Outstanding players were recognized in each of the conferences, tournaments, and in post-seasons. The Staff of THE CHOWANOKA joins the entire Chowan College Community in expressing genuine appreciation and congratulations for a job well done!!

# Student Government Association

The Student Government Association is composed of an Executive Committee, which consists of the officers, and a Legislation Committee. Both groups work together organizing events and making decisions regarding campus happenings. This is the link between the students and the administration.

Each year, the Student Government Association sponsors the two largest events on campus: Homecoming and Spring Festival. It takes a great deal of planning and work for these events to be successful.

The S.G.A. also organizes such events as dances, pizza parties and a movie package which consists of top rated films such as Tootsie, Blue Thunder and Psycho II. Various clubs and organizations have received S.G.A. funding to purchase new uniforms and or equipment.

The Student Government Association is a very important part of Chowan College; it is a voice for the students, and an organization which makes Chowan a better place to be.

Bottom: Shawn Miller, Todd Kelly, Carolyn Cross, Pam Nobles, Laura Crum, John Waters, James Harvey, Linda Youlios.

Middle: Dr. John Davis, Julie Harriz, Susanne Edwards, Lori Gardner, Jesse Allen, Ms. Mary Moren.

Back: Tom Florence, Greg Tutwiler, Eric Hughes, Ken Powell, Donald Bostic, Benny Garner.

## Who's Who Among Students In American Jr. Colleges

This year's members are: Abdul Hamed Ansari, Lorie Lynette Boone, Dara Leigh Boyles, Tracy Lynn Brett, Eric Lee Brown, Marilyn Elaine Brown, Lisa Joyce Carden, Laurie Beth Cowan, Carolyn Virginia Cross, Laura Kathryn Crum, Wendy Sue DeMao, Kay Deevon Dixon, Johnras Lynn Hall, Shari Lynn Harris, Lisa Mae Jones, Eric Paul Kaiser, Robert Todd Kelly, Tammy Kaye Kiger, Jerome Archie Lamonds, Toni Lynette Lamonds, Patricia Phyllis Little, Greg Franklin Lowe, Paul Calvin Pearce, Angela Yvette Pike, Deatrice Helen Slade, Paul Gerared Smith, Michael Brent Sutton, Marcia Ellen Taylor, Tammy Ann Taylor, Michel Lynn Thomas, Katherine Lynne Todd, Gloria Ann Vaughan and Charles Albert Zucker.

Each year a Chowan College Honors Committee selects deserving sophomores of above average academic standing, community service, leadership ability and future potential for inclusion in the year's edition of "Who's Who Among Students in American Junior colleges." Students receiving this honor are presented with a certificate and become eligible to use reference and placement services maintained for exclusive assistance of nominees seeking postgraduate employment, fellowships, or admission to various voluntary service organizations.

# Phi Theta Kappa

1st Row: Advisor - Ed Wooten, Lisa Lowe, Jennifer White, Debra Underwood, Jill Wells, Beth Cowan, Gloria Vaughan, Lorie Boone, Mary Barnum, Marilyn Brown, Wendy DeMao, Dara Boyles, Marcia Taylor, Tracy Brett, Eric Brown, Bill Fullaway, Greg Tutwiler.

2nd Row: Kim Carlton, Jackie Britt, Phillis Ricks, Teresa Cullins, Linda Youlious, Suzanne Edwards, Laura Crum, Maria Salaga, Mike Sutton, Paul Pearce, Vickie Baxley, Al Zucker.  
Not pictured: Norman Crostic, James Worth.

Chowan's Iota Delta Chapter of Phi Theta Kappa is an honorary scholastic fraternity which is open to students who have attended Chowan at least one full semester and maintain at least a 3.0 grade average. Prospective members are recommended and judged by a screening committee.

Officers: President - Eric Brown  
Vice President - Mike Sutton  
Secretary - Marilyn Brown  
Reporter - Dara Boyles

## BSU - CCF

Front row left to right: Marcia Taylor, Jacqueline Ricks, Chaplin Taylor, Elaine Stewert, Kathy Todd. Second row: Deatrice Slade, Kristin Gafford, Chris Wilkerson, Jacqueline Hart, Jonothan Martin, Susanne Edwards, Ricky Kilian, Sosthenes Byemero, Robin Copeland. Back row: Curtis Bass, William "Mac" Beach, Tom Florence, Thomas Abraham, and Tony Brooks.

Baptist Student Union Campus Christian Fellowship exists to aid students in their quest for Christian camaraderie on campus, and to assist them in personal and corporate growth and development in faith. Weekly meetings are devoted for times of worship, study, fellowship, and the "business" affairs of the organization. Bi-weekly visits to local rest home, periodic conferences-retreats, and occasional deputations to local churches provide members with opportunities for nurture, service, and witness beyond the campus scene.

The on-going activities of BSU/CCI are planned and coordinated by an Officers' Council, consisting of five members, with the Chaplain to the College serving as advisor to both the Officers' Council and the larger organization it serves. Specific areas for which the members of the Officers' Council have particular interest/responsibilities include: Spiritual Growth and Nurture, Missions and Outreach, Programming and Enlistment, and Promotion and Publicity.

## Competitive Honors

The Competitive Honors Scholarship Program, regulated by the college Scholarship Committee, awards scholarships to students on a competitive basis. The major criteria for the award of the scholarship is academic ability, motivation, and seriousness.

Students receiving PRESIDENTIAL Scholarships are: Alyson R. Barnes, Yvonne Eliason, Donna L. Orbison, Charles A. Poole, Paula J. Graziosi.

Students receiving ACADEMIC Scholarships are: Jenny G. Burgess, Mary B. Eubanks, Tracy A. Hartert, Wadd L. James, Rhonda A. Morris, Pamela L. Register, Phyllis M. Ricks, Angela F. Noe, Kelly D. Batchelor, Lanette Y. Gibbs, Johnnas L. Hall, Debra A. Langston.

# Alpha Pi Epsilon

The ultimate purpose of Alpha Pi Epsilon is to professionalize the status of the college trained business professional. To accomplish this, it endeavors to send young men and women of the highest ideals into the business world, equipped with keen intelligence and a mastery of their skills.

To be eligible for membership in Alpha Pi Epsilon, a student must have shown himself outstanding in all his college work; he must also possess the qualities of accuracy, dependability, and initiative. In selecting candidates for membership, the society seeks young people of character, intelligence, leadership, scholarship, and superior competence in a secretarial or business curriculum.

A journal initiation is held in the winter, by invitation to qualified students, after release of mid-term grades. The formal candlelight initiation is followed by a banquet dinner.

Alpha Pi Epsilon sponsors several service projects that are beneficial to the entire Chowan College student body.

A yearly scholarship award of \$50.00 is given to the two-year business student who maintains the highest academic average at the end of two years of study at Chowan College.

Front row: left to right Mrs. Pat Edwards, Sponsor, Wendy DeMao, Donna Orbison, Marilyn Brown, Pres., Polly Boone, Sec., Tammy Taylor, Angela Pike, V. Pres.  
Second Row: left to right Debbie Langston, Sherri Light, Karen Holland, Jackie Britt, Lisa Strickland, Tracy Brett, Lisa Carden

## Outing Club

Left to right: James Worth, Todd Scruggs, Advisor Mr. Deavours, John Laughhead, Andy Mason, Donald Bostic, Mac Beach, Krissie Galford

The Outing Club serves to provide as an organization for those who wish to enjoy outdoor activity and the natural beauty of the many wildlife areas in the surrounding area. The Outing Club frequently embarks on canoe trips along many of the nearby rivers. Camping trips to areas such as the coastal wilderness are also made periodically.

# Social Science Club

The Social Science Club is open to all students but particularly those who are interested in Sociology and Psychology. The purpose of the Club is to help students realize how these disciplines are related to life; how society affects them and how they can change society. The Club accomplishes this through programs related to social problems and mental health.

The Club also has projects to raise money to donate to charity organizations and engages in other service projects in the local community and the College. It also sponsors field trips to mental hospitals, prisons and the circuit court while in session.

Front row: Dr. John Gosnell, Gail Kempton, Tammy Kiger, Tommy Sanders, Dee McCadney;  
middle row: Paul Atkins, Lisa Jones, John Miller, Gloria Vaughn, Cary Randall, Walter Joseph;  
back row: Mark Pennington, Carolyn Cross, Curtis Graham, Linda Youlios, Jamara Anderson.

# Science Club

Left to Right Mike Bennet, Maria Allsbrook, Susan Utt, Marion Gilbert, Nyal Dabbs, Tim Martin, Carl Burgess, Owayne Copton, Dr. Garth Faile.

Officers Left to Right Maria Allsbrook (Secretary), Marion Gilbert (Treasurer), Susan Utt (Vice President), Nyal Dabbs (President)

Students interested in science can increase their knowledge and experience by joining the Science Club. Each year the club plans a number of field trips to places of interest to its students. This year, under the direction of President Nyal Dabbs, the club visited the Smithsonian Institute in Washington, D.C. twice, in both the fall and spring semesters. In the fall, they also made a trip to the hydroelectric plant in Roanoke Rapids. And, even though it may not sound science-oriented, members this year got together and decided to go as a group on a ski trip! So satisfy your curiosity, delve into the unknown, or just have fun by becoming a part of the Science Club!

# Rotaract

Left to Right: Austin Ugwueche, Linwood A. Gilchrist, William "Mac" Beach, Curtis Graham, Gregg Lowe, John Loey Ueard, A. Homeed Ansari, Tammy Kiger, Raed I. Colis.  
Standing Left to Right: Donald Bostic, Tracy Amanda Hartert, Dean Clayton Lewis, Paul D. Atkins, Ala Hussein Al-Shatel.

Rotaract, an affiliate of Rotary International, was initiated in 1968 to develop leadership and responsible citizenship through service in the community, to advance the cause of international understanding and to promote recognition and acceptance of high ethical standards as a leadership quality and vocational responsibility. Rotaract has spread to more than 80 countries with over 3,500 clubs and 70,000 young men and women as members.

Rotaract shares goals similar to those of Rotary which encourage members to pursue four aims:

- To become acquainted with each other as an opportunity for service;
- To practice high ethical standards in business and professions;
- To practice these ideals in personal, business and community life; and
- To promote international understanding and goodwill.

The Chowan College Rotaract Club is sponsored by the Rotarians of Murfreesboro.

## Day Student Organization

Most of the students at Chowan live in one of the campus dorms. But there are about 65 students who drive or walk to school from distances ranging from one or two blocks to almost fifty miles. These are the Day Students, and they organized themselves and other students. Day students gather at the end of Wednesday assemblies, where Marcia Taylor, president, and Mrs. Batchelor, advisor, conduct the business of electing representatives to Homecoming Court and Spring Festival or organizing other activities. This year, the Day Students have raised money by selling chances to win a home-baked cake at all the home football and basketball games. Even though Day Students, because they live off campus, may not participate in as many campus activities as resident students, they are a vital part of our campus and academic life. Each year, the organization offers a scholarship to the freshman day student with the highest academic average who has participated in day student activities.

# Monogram Club

To earn the right to wear the Chowan College blue and white jacket is an honor bestowed on only the best athletes. To be eligible for the Monogram Club, men and women must not only be a member of a college team but they must participate in intercollegiate games. Each athlete or cheerleader must earn a letter in his or her sport by meeting requirements established for that particular team. His or her effort and ability is rewarded with membership in the Monogram Club. So, when you see that big C for Chowan, salute! These are the students who lead us to athletic victory.

# Smoke Signals Staff

## STAFF INCLUDES:

Mr. Tom Ditt, Advisor; Rochelle Parker, Richard Michaels, Ken Keefner, Eric Kaiser, Jerry Sutton.

The student newspaper, SMOKE SIGNALS, is published by the Department of Graphic Communications, and a class project of Publications Workshop 106. The editorial content of the newspaper, as well as photography, is prepared by students who are also responsible for the editing, layout and design. During the 1983-84 academic session, six editions were published to carry news of the college community, student activities, athletic events, and other items of interest. Mechanical production of the newspaper is done during laboratory sessions of Printing Technology classes and printed on the department's three-unit web offset newspaper press.

# VICA

Back row, right to left- Wally Weir, Donald Bostic, Robert Burman, Maria Salaga, Troy Barnes.  
Front row- Todd Scruggs, Beth Cowan, Michael Sutton.

The Vocational Industrial Clubs of America (VICA) is an organization for students enrolled in trade, industrial, technical and health occupations. Its 275,000 members across America emphasize high standards for their vocational area and strive to foster a deep respect for the dignity of work.

This is only the second year Chowan's VICA club has been in existence. This year's activities have included fund raising projects to help finance the club's trip to the National Leadership Conference in Louisville, Kentucky. There, the VICA members will represent Chowan in the Graphic Communications contest. The club carries pride in saying they are the most active Post Secondary VICA club in the state.

## Student Admissions Representatives

Top left to right: Jerry Lamonds, Blake Williams, Evonne England, Bill Hylton, Beth Parrish, Robert Burnan. Third row: Lynn Gruber, Jill Drews, Joe Gardner, Steve Smythers, Michelle Thomas, Kelly O'Connors. Second row: Pam Evans, Julie Hartz, Lisa Jones, Carol Boss, Bill Fullaway, Barry Woods, Ann Nicholson, Eric Hughes. Bottom row: Kay Dixon, Lisa Ausborn, Marty Smith, Rhonda Morris, Marion Gilbert, Sidney Hay. Not present: Ben Utley, Director of Admissions, Paul Traywick Assistant Director of Admissions, Beth Utley, Nikki Hoppe, Carolyn Cross, Tammy Taylor, Marcia Taylor, Susan Utt, Julie Ward, and Gregg Lowe.

The Student Admissions Representative is entrusted with the responsibility of guiding prospective students and their families on campus tours. Students selected as SARs provide a student's perspective and serve as liaisons to the Admissions office prior to, or after, the interview with the prospective student.

Shown with SARs: Lynn Gruber, Assistant Director of Admissions and Coordinator of SARs; and Pam Evans, Assistant Director of Admissions. Not Present: Ben Utley, Director of Admissions, Paul Traywick, Assistant Director of Admissions.

A prospective student is given a tour of the photography lab by Beth Parrish and met by Mr. Gleason.

## Stage Band

The blaring of the cornets and trumpets, the smooth slide of the trombones, the rooty-toot-toot of the saxophones—these are the sounds of the Chowan College Stage Band, there to boost our spirit at all of the home football games, on occasional basketball game and, once in a while, assembly. They entertain us with both religious and secular music at Thanksgiving, Christmas and Easter. Under the direction of Bob Brown, who has been known to pick up an instrument and join the band as he directs, the Stage Band adds a little spirit and culture to our games and seasons. Any student who has had experience playing a musical instrument is welcome to join the band.

## Chowan College Choir

Members include: Denise Bare, Jonathan Blake, Tony Brooks, William Cole, Robin Copeland, Tammy Dawson, Kevin Hodges, Dell Ipock, Ricky Kilian, Gregg Lowe, Joy Miller, Rochelle Parker, Jon Royce, Amy Silvers, Bryan Smith, Elaine Stewart, Jerry Sutton, Marcia Taylor, Kathy Todd, John Waters, Jennifer White, Jim Wiggins, Ann Wright.

Thirty harmonious voices, blending and singing like a host of spring birds, make up the College Choir. All students, talented or not, are invited to join the choir and participate in the annual Christmas concert and the Spring Concert. Director Jim Chamblee will take those unpolished voices that come to him at the beginning of each semester, give them the training and practice that they need, teach them to read the music and sing as one, and the transformation that we see at the end of the semester is complete. Students in the College Choir perform a myriad of music, from spirituals to folk songs, from religious hymns to classical fare. Often at special assembly programs, we get a small sampling of their entertaining talents

## Touring Choir

Members include: Tony Brooks, William Cole, Kevin Hodges, Dell Ipock, Gregg Lowe, Rochelle Parker, Jon Royce, Amy Silvers, Bryan Smith, Elaine Stewart, Jerry Sutton, Marcia Taylor, Kathy Todd, Jim Wiggins, and Ann Wright.

The Touring Choir is the best and the most melodious of the members of the College Choir. These eighteen or so individuals must suffer through auditions by the music department in order to be a note on the scale of the Touring Choir. Occasionally during the semester this group will appear by special request before a church or organization in the community. At Christmas time, the choir tapes a musical T.V. show for the Channel 7 in Washington, North Carolina. But the major thrust of their hours of practice is a week-long tour that begins just after school in the spring. This year the group plans a trip to the north—Maryland, Pennsylvania, and New York—performing in churches and staying in homes of families along the way. What a great experience for these select students, and what a pleasant way to spread the music of Chowan College!

# I PHELTA THI

I Phelta Thi is an unofficial fraternity that has existed on the Chowan campus for a few years. This group gathers together often for social events as fun. They raise money through car washes and other projects in order to provide opportunities for fellowship.

## Phi Beta Lambda

Comprising the membership of Phi Beta Lambda are Jerry Lamonds, Al Zucker, Jesse Allen, Curtis Peek, Julia Harriz, Lisa Jones, Rhonda Morris, Sheri Light and Lynn Ankrom. Professor Cindy Grady

### Purpose:

The purpose of the Phi Beta Lambda is to provide opportunities for postsecondary and college students to develop vocational competencies for business and office occupations and business teacher education. Phi Beta Lambda is an integral part of the instructional program and personal responsibility.

## Cheerleaders

Members are: Wendy Demao, Janine Papproth, Ann Glendenning, Julie Ward, Tammy Taylor, Mark Moore, Ted Scarpino, Mike Barrett, Doug Dickens, Joe Gregory, Patricia Little, Alvin Simmons, Sam Lowe, Beth Frazier, Laura Dickerson, Kim Hawkins, Debbie Langston, Jill James, Stephanie Hardy, Brave—Jake Shelton

The Cheerleaders of Chowan College spend many, many hours in practice and rehearsal in preparation for boosting the Braves to victories. The cheerleaders of 1983-84 did an outstanding job in promoting school spirit at athletic events, pep rallies, and other campus events.

L-R—Captain-Zee Hailey, Denise Charles, Latrece William co-captain, Carolyn Wise, Amy Silvers, Mascots Michelle Knowls, and Missie Knowls, Shann Wheeler, Sandy Fekete, Lisa Framcolin.

## Chowan Bravettes

Under the direction of Mrs. Marla Hunnings, the Chowan Bravettes enjoyed a year of learning, performing, and hard work. The group performed at numerous football games, basketball contests, and pep rallies, as well as being a part of the traditional Homecoming Parade. While most of the Bravettes receive academic credit for participation with the group, others perform to learn more of dancing techniques and to be a part of a performing group.

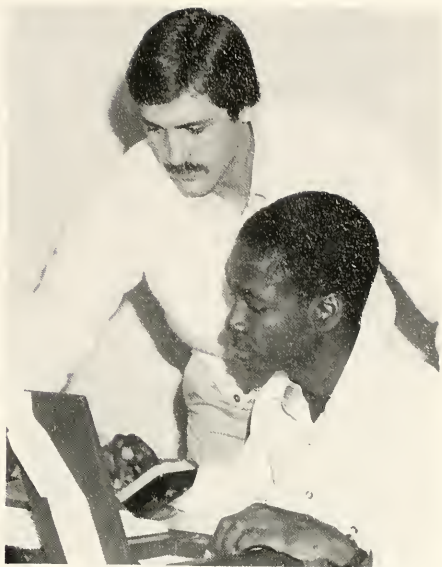

## D.P.M.A.

The Data Processing Management Association is a newly formed organization on campus. With the expanding emphasis on computers and technology in the world today, students at Chowan fill the maintenance building daily to practice what they have learned in both data processing and computer classes. D.P.M.A. was formed to bring these mechanical wizards together and encourage their interest in this growing field.

# International Students add strength and understanding

One of the strengths of Chowan College, especially as it is a "people centered" institution, is the presence of students from all over the world. Students come from various countries, cultures, religions, and walks of life, to live and learn with those from our native country. Close friendships are formed that last through the years, but the real value is to the promotion of better understanding among all peoples.

Professor Dwight Collier gives guidance to Sosthenes Byemero, majoring in Printing Technology.

A good number of international students major in science areas.

# Pizzazz

PIZZAZZ means flamboyance, zest and flair. Class is what PIZZAZZ is. PIZZAZZ also means willingness to seek and assume additional responsibilities as assigned. PIZZAZZ is also the ability to plan work, correlate input by others; ability to set time schedule for orderly accomplishments. PIZZAZZ is also leadership, the ability to establish maintain a climate of excellence; concern for others; ability to encourage, inspire teamwork and effectiveness of members; giving credit and recognition; and use of talents. We stand as one together!

## Campus clubs, organizations add strengths to college life

Many clubs and organizations are a part of the Chowan College Community, and the involvement of these groups with the life of the institution makes it somewhat unique. Throughout the year, special events are held and the success of each is marked by the participation of the various clubs.

Students take a great deal of pride in being able to participate with such events as the annual Science—Math Day, Preview Days for prospective new students, Homecoming and Spring Festival.

The Staff of THE CHOWANOKA salutes all Chowan clubs and organizations and expresses genuine appreciation to them for making this year one of the best in the life and progress of our college.

Above, a scene from special day in science-math facility.

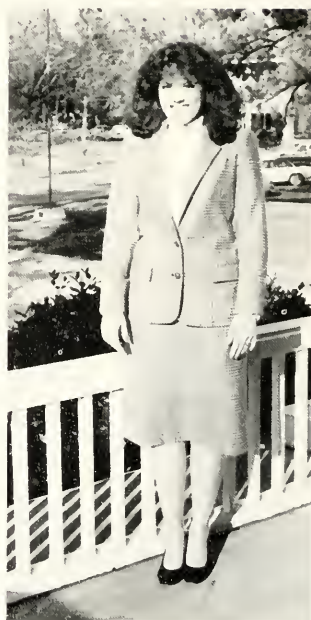

Left, the stage band adds zest to parades, games and special campus days.

# Residence Hall Representatives Compete for Spring Festival Court and Queen of Spring

One of the highlights of the Spring Semester is the traditional Spring Festival activities held in late April. Each residence hall, and the Day Student organization, nominates a freshman and sophomore candidate to compete for selection to the Spring Festival Court. Competition for court selection includes a contest where the girls are judged on beauty, poise, and personality. Announcement of the Queen of Spring and Freshman Princess is made during Coronation ceremonies in center campus, and the crowning is made by the President of the College.

Providing the administrative leadership for the college are, left to right, Dr. Melvin Kunkle, Chairman, Board of Advisors; Dr. Bruce E. Whitaker, President of the College; and, the Rev. J. Felix Arnold, Chairman, Board of Trustees.

# Special Committee makes study as to feasibility of status change

## *Investigation authorized by Board of Trustees*

At its meeting of 19 July 1983, the Executive Committee of the Board of Trustees of Chowan College discussed at some length the question of whether the college should study the feasibility of moving to four-year status. Pursuant to this discussion, the Executive Committee recommended that the Board of Trustees authorize such a study. The Board considered this recommendation at its meeting of 12 September 1983. Note is taken on this occasion the Board of Trustees met in joint session with the Board of Advisors.

The Board of Trustees, with the concurrence of the Board of Advisors, subsequently authorized a feasibility study and requested that Mr. J. Guy Revelle, Jr., Chairman, Board of Trustees, appoint a broadly based Feasibility Study Committee. On 13 September 1983, Mr. Revelle appointed a committee composed of those persons listed on the facing page.

In addition requested that Dr. Ben C. Fisher and Dr. T. Robert Mullinax serve on a consultant basis, as their advice and expertise might be needed. Dr. B. Franklin Lowe, Jr., Dean of the College, was requested to chair the committee, with Mr. Mike H. Johnson serving as co-chairman. Mr. Revelle further requested that the committee attempt to have its report ready for the consideration of the Board of Trustees in time for the meeting of 13 February 1984, but that if such did not prove practical, a detailed progress report be submitted at that meeting.

The Feasibility Study Committee held its initial meeting on Thursday, 22 September 1983, and subsequent meetings at approximate two-week intervals until all work was completed. A special meeting was held in the auditorium of Robert Marks Hall with the general public invited to express opinion as to the college status.

The final report of the committee was completed in March, 1984, and copies were forwarded to each member of the Board of Trustees and Board of Advisors. The 155-page volume, edited by the Chairman, Dr. B. Franklin Lowe, Jr., contained detail reports of the committee, as well as results of questionnaires completed by various publics of the college, comparison tables, and projections.

A called meeting of the Board of Trustees was scheduled for Monday, April 16, 1984, at which time the Report would be reviewed. The Board of Advisors was also scheduled to attend this session.

At the conclusion of the work, the Chairman of the Feasibility Study Committee expressed appreciation to members of the committee for their dedicated, conscientious and loyal service. He related that the members gave generously of their time and efforts in numerous, lengthy meetings and in basic research and writing.

The services provided by the Feasibility Study Committee will be of much value to the college, whether a decision is made to retain the current two-year status, or whether a decision is made by the Board of Trustees to modify that status.

Committee members pictured prior to study session.

## Membership of Feasibility Study Committee

### Members of the Board of Trustees

Mr. Randy V. Britton\*  
 Mr. Mike H. Johnson\*

 Dr. G. Kenneth Wolfskill

### Student

Mr. Robert Todd Kelley

NOTE: Persons with an asterisk by their name are alumni of the college and also represent that group.

*As we come to the end of our time at Chowan College, we will always remember that we were "people centered" during our years here.*

*We can reflect happily upon our classroom times, our leisure days on campus, our friendships which will last a lifetime, but, most of all, we will reflect upon the educational foundation which has prepared us for our lifetime ahead.*

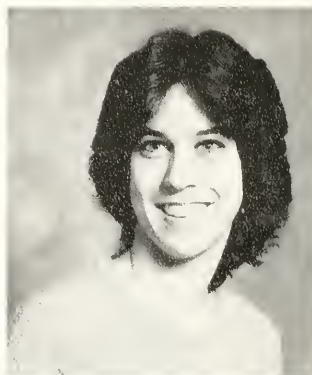

# The Yearbook Staff

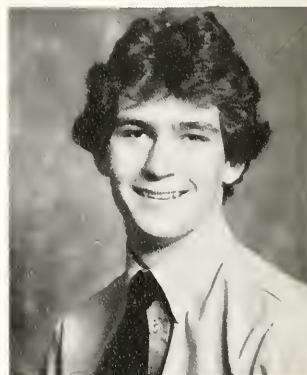

Members of the yearbook staff pose for the photographer in the lobby of the graphic communications center, and appear to be ready for rejoicing as the completion of the yearbook nears.

## The Editors

Shari Harris

Bill Fullaway

The yearbook is produced by the Publications Workshop class, with Professors Barbara Presnell and Herman Gatewood as advisors and instructors. Members of the staff are Nanci Armbruster, Shari Harris, Tracy Harteret, Susan Henderson, Pamela Register, Greg Tutwiler, Bill Waters, Jenny Williams and Mac Beach.

Greg Tutwiler, Susan Henderson and Beth Cowan look at type samples to be used for the divider pages for clubs and organizations.

Todd Scruggs places two of the class pages on the process camera and prepares to make offset negatives for printing.

The staff uses the "democratic" process in attempting to decide which photograph will be used for the divider pages.

# A special tribute to 83-84 CHOWAN BRAVES BASKETBALL TEAM

It is with tremendous pride and admiration that the staff of THE CHOWANOKA pays special tribute to the Basketball Braves of 1983-84. The coaches and team have broken all records in the history of basketball at Chowan College, provided many, many hours of thrilling competition, served as a catalyst in promoting school spirit never before witnessed on this campus, and earned the respect and loyalty of citizens of Murfreesboro and this region. Words are inadequate to express our appreciation to Coach Burke, Coach Bunker, Nate McMillan, John Thomas, Clifton Lynch, David Burgess, Greg Hollingsworth, Todd Wright, Frank Parker, Mike Moore, Jim Dillard, Scott Reece, Jerome Cooper, Tracy Battle, and Manager Bayard Taylor for a job well done!

No. 1 in the Conference  
No. 1 in the Region  
No. 4 in the NATION

Braves are Welcomed Home from Kansas

Coach Burke tells the packed gym of the games played in Kansas.

John Thomas joins a group of his friends in celebration.

Dean Lowe presents Coach Burke with Resolution from Murfreesboro's Chamber of Commerce.

## A special word of appreciation.

*The publication of THE CHOWANOKA is a tremendous task. Work is required all year long, with the planning, layout, making photographs, writing copy, editing, and all the other things which are required to produce a yearbook. The 1984 CHOWANOKA could not have been published were it not for the valuable help rendered by many, many people of the Chowan community. The staff was assisted with photographic help by Kenneth Keefner, John Laughhead, Richard Michaels, as well as others. Valuable help was received from faculty and staff members, as well as advisors, sponsors and coaches. To all these people . . . THANK YOU!*

*The staff owes a tremendous debt of gratitude to the faculty and students of the Department of Graphic Communications for the typesetting, mechanical preparation, camera work, platemaking, printing, folding, and collating this volume. To these valuable people . . . a SPECIAL THANK YOU!!!*

—The Staff  
1984 CHOWANOKA
